MOORPARK CITY COUNCIL
AGENDA REPORT

TO: **Honorable City Council**

FROM: **Maureen Benson, City Clerk**

DATE: **February 26, 2013 (CC Meeting of 3/6/13)**

SUBJECT: **Consider Scheduling Joint City Council Meetings with the Arts Commission, Parks and Recreation Commission, Planning Commission, and Library Board; and Consider Cancellation of the May 1, 2013, Regular City Council Meeting**

DISCUSSION

The City Council typically schedules joint meetings with Boards and Commissions in the month of April to allow for discussion of annual goals and objectives.

Staff is suggesting:

1) The date of April 10 for consideration of a joint meeting with the Arts Commission to be scheduled for 6:15 p.m. and with the Parks and Recreation Commission to be scheduled for 7:00 p.m.

2) The date of April 24 for consideration of a joint meeting with the Library Board to be scheduled for 6:15 p.m. and with the Planning Commission to be scheduled for 7:00 p.m.

or

3) Other acceptable joint meeting dates(s) and time(s).

Staff is also recommending the Council consider canceling the May 1, 2013, regular Council meeting due to a conflict with the Southern California Association of Governments Annual Conference on May 2-3, 2013, which Councilmembers Millhouse and Pollock will be attending. The two Councilmembers will not be available on May 1, since they will be traveling to the conference.
