

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Barry K. Hogan, Deputy City Manager 
By: David Lasher, Senior Management Analyst 

DATE: October 3, 2008 (CC Meeting of 10/15/2008)

SUBJECT: Consider Action to Change the Name of Hearon Drive to Campus Canyon Drive

BACKGROUND

Hearon Drive is found in the northeast region of the City in a neighborhood composed of single-family homes adjacent to Moorpark College. This one-half mile long street connects the Campus Hills neighborhood to Collins Drive at its southern terminus at Campus Canyon Park.

Given its proximity to Campus Canyon Park and the adjacent Campus Canyon Elementary School, Staff is recommending that the City Council consider action to change the name of Hearon Drive to Campus Canyon Drive.

DISCUSSION

Changing the name of Hearon Drive to Campus Canyon Drive would extend the continuity of this naming convention in the Campus Hills area of the City. The impact of the name change would be minimal as there are no properties (no homes) with Hearon Drive addresses.

The Ventura County Fire Protection District has expressed concern that two streets in the area currently contain the name "Campus". While Campus Road and Campus Park Drive are nearby, an important distinction exists---there are no homes with addresses on Campus Road or the proposed Campus Canyon Drive and no single-family homes on Campus Park Drive. Campus Canyon Park itself has a Hearon Drive address which would change to 6790 Campus Canyon Drive. Additionally, the nearby Campus Canyon

Elementary School has a Monroe Avenue address. Staff feels that the proposed name change will improve emergency response, when and if needed, given this street's proximity to the similarly-named park and school.

Staff contacted Greg Moses of GM Management, Inc., the management company representing the Campus Hills HOA, to inform the community of this potential street name change. The Association notified the City through GM Management that its board of directors did not oppose the potential street name change.

FISCAL IMPACT

The fiscal impact of this proposed street name change is minimal and limited to replacing the related street corner signs.
