

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Yugal K. Lall, City Engineer/Public Works Director 

DATE: December 8, 2008 (CC Meeting of 12/17/2008)

SUBJECT: Consider Moorpark High School Decathlon Championship Sign

BACKGROUND/DISCUSSION

Mayor Pro Tem Van Dam has requested that the City Council consider installing a sign (Attachment 1) recognizing Moorpark High School's achievement for winning three National Academic Decathlon Championships. The sign would be installed south of the driveway in front of Moorpark High School's Performing Arts building on one of the traffic signal poles (Attachment 2). The City of Los Angeles has a similar sign in front of Taft High School located in Woodland Hills.

FISCAL IMPACT

The estimated cost of the sign including installation is \$250. Since this is not an eligible street expense, it will be funded from the City Council Community Promotion account (1000.1100.0000.9640).

STAFF RECOMMENDATION

Approve staff purchase and installation of the sign.
