

**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**TO:** Honorable City Council

**FROM:** Dave Klotzle, City Engineer/Public Works Director 

**DATE:** August 19, 2011 (Special CC Meeting of 08/24/11)

**SUBJECT:** Consider Resolution Adopting Certain Parking Restrictions on Millard Street between Torridon Court and Westcott Court, and Majestic Court between Millard Street and 100 Feet East of Dartmoor Court, and Designating the Intersection of Millard Street and Majestic Court to be a Four-Way Stop Intersection

**DISCUSSION**

To provide additional street parking within Tract 5133 - Shea Homes, it is recommended that a "No Parking – 2:00 a.m. to 6:00 a.m." zone be established on the east side of Millard Street between Torridon Court and Westcott Court. This section is currently posted as "No Stopping Anytime." Apparently, this was posted without City Council approval. In addition, the south side of Majestic Court, between Millard Street and 100 feet east of Dartmoor Court, is also recommended to have a parking restriction of 2:00 a.m. to 6:00 a.m. This change will increase the limited street parking available to residents and their guests. Over the past year, staff has received several requests from residents in this area for additional street parking, especially for their guests. If adopted, the attached resolution will modify the existing "No Stopping Anytime" parking restriction on the referenced sections of Millard Street and Majestic Court to "No Parking - 2:00 a.m. to 6:00 a.m."

It is also recommended that the City Council approve a four-way STOP at the intersection of Millard Street and Majestic Court.

**FISCAL IMPACT**

The proposed change will require the replacement of five existing parking restriction signs at a total estimated cost of about \$300.00 which is included in the current FY 2011/12 budget appropriation for these purposes.
