MOORPARK CITY COUNCIL AGENDA REPORT

TO: Honorable City Council

From: David C. Moe II, Redevelopment Manager *DCM*

By: Jessica Sandifer, Management Analyst *J*

Date: September 1, 2011 (City Council Special Meeting of 9/14/11)

Subject: Consider Resolution Finding No Municipal Need for the City-Owned Property at 500 West Los Angeles Avenue and Lease Agreement between the City of Moorpark and Tom Lindstrom RV Sales, Inc. for Said Property

BACKGROUND/DISCUSSION

The Redevelopment Agency of the City of Moorpark ("Agency") acquired 500 West Los Angeles Avenue, Assessor Parcel No. 506-0-050-080 ("Property"), for redevelopment purposes. The Property is a vacant lot located within the Moorpark Redevelopment Project Area. The Property has subsequently been transferred to the City of Moorpark ("City"). This is the site of the former Caltrans Yard. There is currently no other City purpose for the Property.

Tom Lindstrom RV Sales Inc. ("Lindstrom") has approached the City about leasing the Property to conduct recreational vehicle sales. Staff has negotiated a proposed lease agreement with Lindstrom. Lindstrom shall use the Property for RV Sales only; no servicing, storage or sales of commercial vehicles is allowed. Tenant may take items, such as other recreational vehicles, cars, or light trucks for trade-in purposes and may sell these items on the Property, provided that cars or light trucks do not exceed 10% of the inventory on the site. The lease term is for five years and four months. The first four months are free, with the monthly rent for the first year starting at \$3,300 per month beginning in February 2012. At the beginning of the second year, rent will increase to \$6,300 per month with the lease amount thereafter increasing 3% per year for each of the remaining three years in the lease term. There is no option to extend the lease beyond the initial five year term. If Lindstrom wishes to remain on the Property after the term of the lease, a new lease would have to be negotiated. Lindstrom will be responsible for all utilities and trash service to the property.

This use requires a Conditional Use Permit, which is scheduled for Planning Commission consideration on September 27, 2011. A clause has been provided in the

lease to void the lease should the applicant be unsuccessful in obtaining a Conditional Use Permit by November 30, 2011. This allows sufficient time for an appeal to be considered should the decision of the Planning Commission be appealed.

Staff recommends approving the proposed lease between the City and Lindstrom for the property located at 500 West Los Angeles Avenue.

FISCAL IMPACT

The proposed lease agreement is not anticipated to produce a net cost to the City. It is projected that the City will receive \$39,600 in rent revenue during the first year of the lease, \$75,600 for the second year, \$77,868 for the third year, \$80,208 for the fourth year, and \$82,608 for the fifth year for total rent revenue during the lease term of \$355,884.

STAFF RECOMMENDATION

1. Adopt Resolution No. 2011 - _____, finding that there is no City purpose for the property at 500 West Los Angeles Avenue other than to lease the property for a commercial use.
2. Approve Lease Agreement between the City and Tom Lindstrom RV Sales Inc., subject to final language to be approved by the City Manager and City Attorney.

Tenant shall also indemnify, defend with legal counsel approved by City and hold harmless City and its officers, employees, servants and agents from and against all claims, actions, liabilities, losses, damages, costs, attorneys' fees, and other expenses of any nature for loss or damage to property, or injury to or death of persons, arising in any manner whatsoever, directly or indirectly, from Tenant's performance pursuant to this Section. The indemnification, legal defense and hold harmless provisions of this Lease shall survive the termination of the tenancy.

SECTION 14. PESTICIDES AND HERBICIDES

Tenant shall use pesticides and herbicides on the Premises only in strict accordance with all applicable statutes, ordinances, rules and regulations. Such pesticides and herbicides shall be limited to those that are permitted for residential housing units.

If Tenant receives any notice, whether oral or written, of any inquiry, test,

investigation, enforcement proceeding, environmental audit, or the like regarding any Hazardous Material on the Premises, Tenant shall immediately serve City with a copy of such notice.

In no case shall Tenant cause or allow the deposit or disposal of any such substance on the Premises. However, household products necessary for routine cleaning and maintenance of the Premises may be kept on the Premises in quantities reasonable for current needs.

The provisions of this Section shall survive the termination of the tenancy and shall relate back to all periods of Tenant's possession of the Premises. The provisions of this Section are intended to operate as an agreement pursuant to Section 107(e) of CERCLA, 42 U.S.C. Section 9707(e), and California Health and Safety Code Section 25364, to insure, protect, hold harmless, and indemnify City from any liability pursuant to such law.

SECTION 17. CASUALTY INSURANCE

City shall not be obligated to keep the Premises and the improvements thereon insured against any insurable risk; nor shall City insure Tenant for any personal injury or property damage. Tenant hereby and forever waives all right to claim or recover damages from City in any amount as the result of any damage to the Premises or any improvement thereon or as a result of any injury to any person upon the Premises.

SECTION 18. INSURANCE

Tenant shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Exhibit A attached to and part of this Agreement. ***The policy shall name Tenant as the insured and the City of Moorpark as additional insured.***

SECTION 19. GOVERNING LAW

Tenant agrees that in the exercise of their rights under this Lease, Tenant shall comply with all applicable federal, state, county and local laws and regulations in connection with its use of the Premises. The existence, validity, construction, operation and effect of this Lease and all of its terms and provisions shall be determined in accordance with the laws of the state of California.

SECTION 20. ENTRY BY CITY

During the tenancy, City may enter the Premises upon not less than 24 hours

advance notice and Tenant shall make the Premises available during normal business hours to the City's authorized agent or representative for the purpose of; (1) to show the premises to prospective or actual purchasers, mortgagee, tenants, workmen, or contractors, (2) to make necessary or agreed repairs, decorations, alterations, or improvements, and (3) at all reasonable times to examine the condition thereof, including its environmental condition. In an emergency, City's agent or authorized representative may enter the premises at any time without securing prior permission from Tenant.

SECTION 21. ASSIGNMENT AND SUBLETTING

No portion of the Premises or of Tenant's interest in this Lease shall be transferred by way of sublease, assignment or other voluntary or involuntary transfer or encumbrance, without the prior written consent of the City Manager. Such consent shall be at City's sole discretion.

Any transfer without consent shall be void, and shall, at the option of the City, terminate this Lease.

SECTION 22. DEFAULT OR BREACH

Except as otherwise provided, at any time one party to this Lease is in default or breach in the performance of any of the terms and conditions of this Lease, the other party shall give written notice to remedy such default or breach. If the default or breach is remedied within thirty (30) days following such notice, then this Lease shall continue in full force and effect. If such default or breach is not remedied within thirty (30) days following such notice or if the nature of the default is such that it cannot reasonably be cured within thirty (30) days, if Tenant fail to commence to cure within the thirty (30) day period, the other party may, at its option, terminate this Lease. Such termination shall not be considered a waiver of damages or other remedies available to either party because of such default or breach. Each term and condition of this Lease shall be deemed to be both a covenant and a condition.

SECTION 23. INSOLVENCY OR BANKRUPTCY

If Tenant shall be adjudged bankrupt or insolvent, this Lease shall thereupon immediately terminate and the same shall not be assignable by any process of law, or be treated as an asset of the Tenant under such adjudication, nor shall it pass under the control of any trustee or assignee by virtue of any process in bankruptcy or insolvency, or by execution or assignment for the benefit of creditors. If any such event occurs, this Lease shall immediately become null and void and of no effect, and City may thereupon repossess said Premises and all rights of the Tenant thereupon shall cease and terminate.

SECTION 24. DISPOSSESSION

In the event Tenant is lawfully deprived of the possession of the Premises or any part thereof, at any time during the tenancy, by anyone other than City, they shall notify City in writing, setting forth in full the circumstances in relation thereto.

Upon receipt of said notice, City may, at its option, either install Tenant in possession of the Premises or terminate the tenancy and refund to Tenant the pro rata amount of any pre-paid rent. No claim for damages or whatsoever kind or character incurred by Tenant by reason of such dispossession shall be chargeable against City.

SECTION 25. CONDEMNATION

If the whole of the Premises should be taken by a public authority under the power of eminent domain, then the term of this Lease shall cease on the day of possession by the public authority. If only a part of the Premises should be taken under eminent domain, Tenant shall have the right to either terminate this Lease or to continue in possession of the remainder of the Premises. If Tenant remain in possession, all of the terms hereof shall continue in effect, the rental payable being reduced proportionately for the balance of the Lease term. If a taking under the power of eminent domain occurs, those payments attributable to the leasehold interest of the Tenant shall belong to the Tenant, and those payments attributable to the reversionary interest of the City shall belong to the City.

SECTION 26. WAIVER

A waiver by either party of any default or breach by the other party of any provision of this Lease shall not constitute or be deemed to be a waiver of any subsequent or other default or breach. No waiver shall be binding, unless executed in writing by the party making the waiver. No waiver, benefit, privilege, or service voluntarily given or performed by either party shall give the other party any contractual right by custom, estoppel, or otherwise. The subsequent acceptance of rent pursuant to the Lease shall not constitute a waiver of any preceding default or breach by Tenant other than default in the payment of the particular rental payment so accepted, regardless of City's knowledge of the preceding default or breach at the time of accepting the rent; nor shall acceptance of rent or any other payment after termination of the tenancy constitute a reinstatement, extension, or renewal of the Lease or revocation of any notice or other act by City.

SECTION 27. ACQUIESCENCE

No acquiescence, failure, or neglect of any party hereto to insist on strict performance of any or all of the terms hereof in one instance shall be considered or constitute a waiver of the rights to insist upon strict performance of the terms hereof in any subsequent instance.

SECTION 28. PARTIES BOUND AND BENEFITTED

The covenants and conditions herein contained shall apply to and bind the heirs, successors, executors, administrators, and assigns of all the parties hereto; and all of the parties hereto shall be jointly and severally liable hereunder.

SECTION 29. CONDITION UPON TERMINATION

Upon termination of the tenancy, Tenant shall surrender the Premises to City including all improvements, clean and in good condition, except for ordinary wear and tear which Tenant was otherwise obligated to remedy under Section 12 above. Any installation which Tenant installs during occupancy with in accordance with Section 11 of this Lease, and has not removed at the termination of the Lease, shall become the possession of the City. Tenant shall repair at Tenant's expense, any damage to the Premises caused by the removal of any improvement made by Tenant from such installation. Any installations, improvements, or additions to the Premises prior to the execution of this Lease shall be deemed as part of the Premises and shall be the possession of the City.

SECTION 30. TENANT'S FAILURE TO REMOVE PERSONAL PROPERTY

Upon termination of the tenancy, City may reenter and retake possession of the Premises and store Tenant's personal property for a period of thirty (30) days at Tenant's cost and expense. If Tenant fails to pick up said personal property and pay said cost and expenses during said thirty (30) day period, City may dispose of any or all of such personal property in any manner that City, in its sole and absolute discretion, deems appropriate.

If any of Tenant's personal property remains on the Premises after the termination of the tenancy, City may use, dispose of, or sell any of said property, in its sole and absolute discretion, without compensating Tenant for the same and without the City having any liability whatsoever therefore.

SECTION 31. NO RECORDATION

Neither this Lease Agreement nor a memorandum thereof shall be recorded by Tenant.

SECTION 32. ATTORNEYS' FEES

In the event any action, suit or proceeding is brought for the enforcement of, or the declaration of, any right or obligation pursuant to, this Lease or as a result of any alleged breach of any provision of this Lease, or for an unlawful detainer action, the prevailing party shall be entitled to recover its costs and expenses, including attorneys' fees, from the losing party, and any judgment or decree rendered in such a proceeding shall include an award thereof.

SECTION 33. NOTICES AND PAYMENTS

All notices required under this Lease, including notices of change of address, shall be in writing, and all notices and payments shall be addressed as follows:

City: City Manager
City of Moorpark
799 Moorpark Avenue
Moorpark, California 93021

Either party may, from time to time, by written notice to the other, designate a different address which shall be substituted for the one specified above. Except as otherwise provided by statute, notice shall be deemed served and received upon receipt by personal delivery or upon the second (2nd) day after deposit in the United States mail, certified or registered, return receipt requested, with postage prepaid.

SECTION 34. PARTIAL INVALIDITY

If any provision of this Lease is found by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of this Lease shall nonetheless remain in full force and effect to the full extent allowed by law.

SECTION 35. GENDER AND NUMBER

For the purpose of this Lease wherever the masculine or neuter form is used, the same shall include the masculine or feminine, and the singular number shall include the plural and the plural number shall include the singular, wherever the context so requires.

SECTION 36. SECTION HEADINGS

Section headings in this Lease are for convenience only, and they are not intended to be used in interpreting or construing the terms, covenants and conditions of this Lease.

SECTION 37. INTEGRATION AND MODIFICATION

This Lease constitutes the entire agreement of the parties concerning the subject matter hereof and all prior agreements and understandings, oral or written, are hereby merged herein. This Lease may not be modified or amended except; (1) in a writing signed by all of the parties hereto; or (2) upon expiration of thirty (30) days service in accordance with Civil Code Section 1946, or any successor statute in effect on the date the written notice is served, by City on Tenant of a written notice setting forth the modification or amendment.

The parties agree that no estoppel argument can be raised during legal proceedings in order to avoid the provisions of this Section.

SECTION 38. INTERPRETATION

Should interpretation of this Lease, or any portion thereof, be necessary, it is deemed that the Lease was prepared by the parties jointly and equally, and the Lease shall not be interpreted against either party on the ground that the party prepared it or caused it to be prepared.

SECTION 39. VENUE

This Lease is made, entered into, and executed in Ventura County, California, and any action filed in any court for the interpretation, enforcement or other action arising from any term, covenant or condition herein shall be filed in the applicable court in Ventura County, California.

SECTION 40. TERMINATION

The City may terminate this Lease at any time after the third year and upon issuing the Tenant a one (1) year notice to vacate the Premises. Tenant may terminate this Lease any time after the fourth year and upon thirty (30) day notice to the City. This Lease shall automatically terminate on November 30, 2011, if Tenant is unsuccessful in obtaining a Conditional Use Permit from the City.

SECTION 41. REDEVELOPMENT DISSOLUTION LEGISLATION

The parties acknowledge the recent enactment of ABx1 26, which provides for the dissolution of California redevelopment agencies unless they take certain specified steps required under ABx1 27. ABx1 26 and ABx 1 27 shall be referred to herein collectively as "2011 Redevelopment Legislation." The parties understand that the 2011 Redevelopment Legislation purports to invalidate certain activities of redevelopment agencies extending back to January 1, 2011, including the transfer of assets to other public agencies. The parties further acknowledge that the Premises were transferred from the Moorpark Redevelopment Agency to Lessor. The 2011 Redevelopment Legislation has been challenged in court by the League of California Cities and the California Redevelopment Association and there is uncertainty both as to the facial constitutionality of the 2011 Redevelopment Legislation and the legality of its application in specific circumstances. Tenant hereby waives and releases Lessor from any and all claims arising from the enactment of the 2011 Redevelopment Legislation and any effect it may have on the validity of this Lease and holds Lessor harmless from any claims of successors, assigns, contractors, suppliers, or other agents of Tenant arising out from the enactment of the 2011 Redevelopment Legislation.

IN WITNESS WHEREOF, the parties have caused this Lease to be executed by their duly authorized representatives as of the date first written above.

Worker's Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than \$1,000,000 per accident or disease.

Insurance procured pursuant to these requirements shall be written by insurers that are admitted carriers in the State of California and with an A.M. Bests rating of A- or better and a minimum financial size VII.

General conditions pertaining to provision of insurance coverage by Tenant. Tenant and AGENCY agree to the following with respect to insurance provided by Tenant:

1. Tenant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds AGENCY, its officials, employees, servants, agents, and independent consultants ("Agency indemnities"), using standard ISO endorsement No. CG 2011 with an edition prior to 1996. Tenant also agrees to require all contractors and subcontractors working on the Premise to do likewise.
2. No liability insurance coverage provided to comply with this Agreement shall prohibit Tenant, or Tenant's agents, from waiving the right of subrogation prior to a loss. Tenant agrees to waive subrogation rights against AGENCY regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractors to do likewise.
3. All insurance coverage and limits provided by Tenant and available or applicable to this agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the AGENCY or its operations limits the application of such insurance coverage.
4. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to AGENCY and approved of in writing.
5. No liability policy shall contain any provision or definition that would serve to eliminate so-called "third party action over" claims, including any exclusion for bodily injury to an employee of the insured or any contractor or subcontractor.
6. All coverage types and limits required are subject to approval, modification, and additional requirements by the AGENCY, as the need arises. Tenant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect AGENCY'S protection without AGENCY'S prior written consent.
7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Tenant's general liability policy, shall be delivered to AGENCY at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled at any time and no replacement coverage is provided, AGENCY has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other agreement and to pay the premium. Any premium so paid by AGENCY shall be charged to and promptly paid by Tenant or deducted from sums due Tenant, at AGENCY's option.
8. Certificates are to reflect that the insurer will provide 30 day notice to AGENCY of any cancellation of coverage. Tenant agrees to require its insurer to modify such

certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the certificate.

9. It is acknowledged by the parties of this agreement that all insurance coverage required to be provided by Tenant, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self insurance available to AGENCY.
10. Tenant agrees to ensure that subcontractors, and any other party entering onto the Premises, provide the same minimum insurance coverage required of Tenant. Tenant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Tenant agrees that upon request, all agreements with subcontractors and other parties entering onto the Premises will be submitted to AGENCY for review.
11. Tenant agrees not to self-insure or to use any self-insured retention or deductibles on any portion of the insurance required herein and further agrees that it will not allow any contractor, subcontractor, or other entity or person entering onto the Premises to self-insure its obligations to AGENCY. If Tenant's existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the AGENCY. At that time the AGENCY shall review options with the Tenant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.
12. For purposes of applying insurance coverage, only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
13. Tenant acknowledges and agrees that any actual or alleged failure on the part of the AGENCY to inform Tenant of non-compliance with any insurance requirement in no way imposes any additional obligations on AGENCY nor does it waive any rights hereunder in this or any other regard.
14. Tenant will renew the required coverage annually as long as AGENCY, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the Agreement is canceled or terminated for any reason. Termination of this obligation is not effective until AGENCY executes a written statement to that effect.

15. Tenant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from Tenant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement is required in these specifications applicable to the renewing or new coverage must be provided to AGENCY within five days of the expiration of the coverages.
16. The provisions of any workers' compensation or similar act will not limit the obligations of Tenant under this agreement. Tenant expressly agrees not to use any statutory immunity defenses under such laws with respect to AGENCY, its employees, officials, and agents.
17. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party of insured to be limiting or all-inclusive.
18. These insurance requirements are intended to be separate and distinct from any other provision in this agreement and are intended by the parties here to be interpreted as such.
19. The requirements in this Section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
20. Tenant agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge AGENCY or Tenant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the AGENCY. It is not the intent of AGENCY to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against AGENCY for payment of premiums or other amounts with respect thereto.
21. Tenant agrees to provide immediate notice to AGENCY of any claim or loss against Tenant arising out of the lease of the Premises. AGENCY assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve AGENCY.
