**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: The Honorable City Council

FROM: Steven Kueny, City Manager

DATE: January 20, 2011 (CC Meeting of 02/02/11)

SUBJECT: Consider Status Report on Mission Statement, Priorities, Goals and Objectives for Fiscal Year 2010/2011 and Direction for Fiscal Year 2011/2012

Attached are the City Council's approved Mission Statement, Priorities, Goals and Objectives for FY 2010/2011. In approving this document, the Council included a list of top ten (10) priorities, which consists of forty-five (45) of the one hundred thirteen (113) identified objectives. All objectives are placed in one of three categories (0 to 2 years; 2 to 5 years; and 5+ years) based on their estimated time for completion. The completed document also indicates which objectives were Funded (F), Not Funded (NF), or only required Staff Effort (SE).

A written status report on the various priorities and objectives is not included as part of this report. The City Council Bimonthly Report provides a status on most of these items as well as other staff work efforts. Staff will respond to specific Council questions when this matter is considered.

Since 2001, the Council has reviewed the objectives prior to preparation of the budget with the purpose of having more correlation between the Council approved objectives and City Manager proposed budget.

It has been our practice to maintain a secondary list of objectives. In prior years, several items have been elevated from this list to approved objectives by the Council. On June 16, 2010, the Council approved a list of 61 items to remain on a list of Potential Objectives. The list of Potential Objectives is attached to this report. At this time, no additional Potential Objectives are proposed for City Council consideration.

- E. Consider Status Report on Mission Statement, Priorities, Goals and Objectives for Fiscal Year 2010/11 and Direction for Fiscal Year 2011/12. Staff Recommendation: Direct staff as deemed appropriate.

Mr. Kueny gave the staff report.

A discussion followed among the Councilmembers and staff concerning the reasons for the narrow scope of Top Ten Priority No. 5 for construction of a truck scale facility; the development of the SDI property site being problematic for Potential Objective No. 56. for a private BMX facility; and the possibility of moving Potential Objective No. 61 to obtain grant funding for universally accessible play equipment to the Departmental Objectives list despite the current lack of staffing to address the goal.

There were no speakers.

CONSENSUS: The consensus of the Council was to receive and file the report.
