

**MOORPARK CITY COUNCIL
AGENDA REPORT****TO: Honorable City Council****FROM: Yugal K. Lall, City Engineer/Public Works Director****DATE: October 24, 2006 (CC Meeting of 11-01-06)****SUBJECT: Consider Resolution Rescinding Resolution Nos. 93-977 and 96-1254
Pertaining to Truck Routes and Adopting a New Resolution
Pertaining to Truck Routes****DISCUSSION****A. Background**

The existing Resolutions, (93-977 and 96-1254) in relation to Truck Routes within the City include the wording and location of Truck Route signs and signs prohibiting truck traffic.

B. New Truck Route Signs Required

With the extension of Spring Road north to Walnut Canyon Road (State Route 23), and Championship Drive from Walnut Canyon Road to Grimes Canyon Road, it will be necessary to add new signs at approaches to those intersections advising the driving public of the Truck Routes and the truck prohibition. These new signs are not specified within the text of existing Resolutions.

C. Simplified Administration

The applicable segments of the California Vehicle Code and the Moorpark Municipal Code do not require language pertaining to the exact location and wording of directional and prohibition signs pertaining to Truck Routes. The attached Resolution merely directs the City Engineer to place and maintain such signs, as set forth in the Municipal Code.

D. New Signs

Pardee Development and Toll Brothers, have been advised to install Truck Route and/or truck prohibition signs at both entry points on Spring Road and Championship Drive, including obtaining encroachment permits from Caltrans as may be needed.
