

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: The Honorable City Council

FROM: Yugal K. Lall, City Engineer/Public Works Director *YKLall*

DATE: November 30, 2006 (CC Meeting of 12-6-06)

SUBJECT: Street Sweeping Schedule Changes

DISCUSSION

At the request of the Mayor, staff evaluated the ability of street sweeping to be accomplished in a manner to reduce the time needed for parking restrictions. Currently most of the residential streets are swept twice per month on Tuesdays or Thursdays from 8:00 am to 12:00 noon or 12:00 noon to 4:00 pm.

Staff has worked with the City's street sweeping contractor to develop an option that would work. This option would allow the restricted parking to be reduced by one hour for each area and would be changed to 9:00 am -12:00 noon and 12:00 noon -3:00 pm. This would require about 20% of the residential areas to be shifted to Monday or Friday because of the reduced time for restricted parking and to avoid sweeping on day of or day before trash pick-up. This option would require a new decal to be applied to all applicable signs, and informative door hangers to the affected residents at an estimated cost of \$2500.00 (290 signs, 9,000 door hangers) and 32 man-hours.

If approved, implementation would be accomplished with appropriate notification and phase-in to minimize inconveniences.

STAFF RECOMMENDATION

Concur with sweeping schedule as proposed.
