**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: The Honorable City Council

FROM: Steven Kueny, City Manager *SK*

DATE: January 29, 2009 (CC Meeting of 02/04/09)

SUBJECT: **Consider Status Report on Mission Statement, Priorities, Goals and Objectives for Fiscal Year 2008/2009 and Direction for Fiscal Year 2009/2010**

Attached are the City Council's approved Mission Statement, Priorities, Goals and Objectives for FY 2008/2009. In approving this document, the Council included a list of top ten (10) priorities, which consists of forty-four (44) of the one hundred sixteen (116) identified objectives. All objectives are placed in one of three categories (0 to 2 years; 2 to 5 years; and 5+ years) based on their estimated time for completion. The completed document also indicates which objectives were Funded (F), Not Funded (NF), or only required Staff Effort (SE).

A written status report on the various priorities and objectives is not included as part of this report. The City Council Bimonthly Report provides a status on most of these items as well as other staff work efforts. Staff will respond to specific Council questions when this matter is considered.

Since 2001, the Council has reviewed the objectives prior to preparation of the budget with the purpose of having more correlation between the Council approved objectives and City Manager proposed budget.

It has been our practice to maintain a secondary list of objectives. In prior years, several items have been elevated from this list to approved objectives by the Council. On July 2, 2008, the Council approved a list of 52 items to remain on a list of Potential Objectives. The list of Potential Objectives is attached to this report. Six (6) additional Potential Objectives beginning with No. 53 are added to that list for Council consideration.
