

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council
FROM: Ron Ahlers, Finance Director *RA*
DATE: May 22, 2009 (City Council Meeting of June 17, 2009)
SUBJECT: Consider Resolution Adopting Loan Agreement between the City of Moorpark and the Moorpark Redevelopment Agency

BACKGROUND

The California Health and Safety Code on Community Redevelopment Law Section 33610 allows the legislative body of the community to appropriate to the agency such amounts as necessary for administrative and overhead expenses of the agency. These appropriations may be paid to the agency as a loan and will be repaid upon such terms and conditions as provided by the legislative body. Several times since the creation of the Moorpark Redevelopment Agency, the City has loaned funds to the Agency. All loans have been repaid by June 30th of each fiscal year.

DISCUSSION

For FY 2009/2010, the Agency has budgeted approximately \$25.7 million in expenditures, including \$16.6 million for capital improvements. While the Agency's annual revenues and existing fund balances are sufficient to finance these expenditures, it is our practice for all expenditures to be paid by the City and then these "advances" are repaid by the Agency. This is a common practice intended to comply with state laws that require Redevelopment Agencies to incur debt and to assist with Agency cash flow.

Staff is recommending a loan from the City to the Agency in the amount of \$5.0 million as an advance for anticipated operating and capital expenditures for the coming year. The Agency would be charged a rate equal to the rate earned on investments (the "LAIF" rate) plus 1%; currently this would be approximately 3.9%. The loan would be provided by the City's Special Projects Fund, which will have sufficient cash available, and would be due no later than June 30, 2010.
