MOORPARK CITY COUNCIL AGENDA REPORT

TO: Honorable City Council

FROM: Deborah S. Traffenstedt, Administrative Services Director *DST*

DATE: June 24, 2009 (CC Meeting of 7/1/09)

SUBJECT: Consider Resolution Granting Another Designated Period for Two Years Additional Service Credit Retirement Incentive Pursuant to Government Code Section 20903 and Consistent with the City's Contract with California Public Employees' Retirement System (CalPERS)

BACKGROUND AND DISCUSSION

At the City Council's regular meeting on June 17, 2009, the Council directed staff to schedule a resolution for the Council's regular meeting on July 1, approving and designating the time period for the two years of additional service credit retirement incentive for the Public Works Superintendent position in the Public Works Department. The staff report for the June 17th meeting included the information on required disclosure of the costs to the City for the proposed retirement incentive. The window period for the two additional years of service credit is proposed to begin on September 1, 2009, and end on December 31, 2009. Only one retirement is anticipated during the window period for the retirement incentive.

CalPERS provides a resolution for adoption, and certification documents, which are included as an attachment to this report. Following adoption action by the City Council, the resolution and certification documents will be signed by the Mayor and City Clerk and forwarded to CalPERS.

**CERTIFICATION OF COMPLIANCE WITH
GOVERNMENT CODE SECTION 20903**

In accordance with Government Code Section 20903 and the contract between the Public Employees' Retirement System, the City Council of the City of Moorpark hereby certifies that:

1. Because of an impending curtailment of, or change in the manner of performing service, the best interests of the agency will be served by granting such additional service credit.
2. The added cost to the retirement fund for all eligible employees who retire during the designated window period will be included in the contracting agency's employer contribution rate for the fiscal year that begins two years after the end of the designated period.
3. It has elected to become subject to Section 20903 because of impending mandatory transfers, demotions, and layoffs that constitute at least 1 percent of the job classification, department or organizational unit, as designated by the governing body, resulting from the curtailment of, or change in the manner of performing, its services.
4. Its intention at the time Section 20903 becomes operative is to keep all vacancies created by retirements under this section or at least one vacancy in any position in any department or other organizational unit permanently unfilled thereby resulting in an overall reduction in the work force of such department or organizational unit.

THEREFORE, the City Council of the City of Moorpark hereby elects to provide the benefits of Government Code Section 20903 to all eligible members who retire within the designated period, September 1, 2009 through December 31, 2009.
