

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Yugal K. Lall, City Engineer/Public Works Director
Prepared by: Shaun Kroes, Senior Management Analyst

DATE: November 18, 2009 (CC meeting of 12/2/09)

SUBJECT: Consider Status Report on Poindexter Park Security Camera System

BACKGROUND/DISCUSSION

On November 4, 2009, staff presented a proposed security camera system for Poindexter Park. City Council continued the item to December 2, 2009, to allow staff time to research adequate security lighting for optimum video quality; and to allow councilmembers time to view videos taken by the security cameras at the Metrolink Station. At this, staff is continuing to work with Direct AV and the Moorpark Police Department to determine the best options for security cameras and security camera lighting. Once completed, staff will return to City Council with recommendations.

STAFF RECOMMENDATION
