

**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**TO: Honorable City Council**

**FROM: Yugal K. Lall, City Engineer/Public Works Director**  
**Prepared by: Shaun Kroes, Senior Management Analyst**

**DATE: November 18, 2009 (CC meeting of 12/16/09)**

**SUBJECT: Consider Status Report on Poindexter Park Security Camera System**

**BACKGROUND/DISCUSSION**

This item was originally agendized for the regular City Council meeting of December 2, 2009, which was adjourned to December 16, 2009. On November 4, 2009, staff presented a proposed security camera system for Poindexter Park. City Council continued the item to December 2, 2009, to allow staff time to research adequate security lighting for optimum video quality; and to allow councilmembers time to view videos taken by the security cameras at the Metrolink Station. At this, staff is continuing to work with Direct A/V and the Moorpark Police Department to determine the best options for security cameras and security camera lighting. Once completed, staff will return to City Council with recommendations.

**STAFF RECOMMENDATION**

1. Receive and File.
