**MOORPARK PLANNING COMMISSION
AGENDA REPORT**

TO: Honorable Planning Commission

FROM: David A. Bobardt, Community Development Director
Prepared by Joseph Fiss, Principal Planner

DATE: January 21, 2010 (PC Meeting of January 26, 2010)

SUBJECT: Consider Zoning Ordinance Amendment 2009-03, to Amend Chapter 17.40 Sign Regulations, of Title 17, Zoning, of the Moorpark Municipal Code by Adding Section 17.40.095 to Allow Temporary Directional Signs for Special Events in the Old Town Commercial (C-OT), Planned Community (PC) and Institutional (I) Zones.

BACKGROUND/DISCUSSION

On October 7, 2009 the City Council adopted Resolution 2009-2856 directing the Planning Commission to study, hold a public hearing and provide a recommendation to the City Council on an Amendment to Chapter 17.40 Sign Regulations, of Title 17, Zoning, of the Moorpark Municipal Code related to Special Event Directional Signs

The City Council comprehensively amended the City's sign regulations in the Zoning Ordinance in 2005. The proprietor of the farmers' market on High Street, which was open in 2009, addressed the City Council a couple times during public comment, requesting the ability to post off-site directional signage for the market. The sign regulations in the Zoning Ordinance currently do not allow for off-site signage for temporary events, such as a farmers' market, with the exception of banners and signs for events sponsored by the City or by Moorpark nonprofit organizations. On September 2, 2009, the City Council directed staff to waive enforcement of the sign regulations through the end of the year related to directional signage for the farmers' market and other High Street special events on the day of the event, provided that such signage is removed within two hours of the end of the event. This time was to allow for study of potential amendments to the sign regulations in the Zoning Ordinance.

Staff has drafted an amendment to Sign Ordinance that will allow the flexibility of permitting temporary directional signs for special events allowed by specific permits in Downtown Moorpark, the Civic Center, and at the Arroyo Vista Recreation Center, while at the same time providing clear standards for installation of such signs. Downtown Moorpark and the Arroyo Vista Recreation Center have distinctive characteristics and unique physical locations that warrant additional opportunities for signage, in particular for special events that benefit the community at large. By allowing these signage opportunities in the C-OT (High Street), PC (Arroyo Vista Recreation Center), and I (Civic Center) zones, special events at the City Hall, Library, Post Office Parking Lot, and Arroyo Vista Recreation Center would qualify for temporary directional signs for commercial activities that are temporary or recurring in nature, such as farmers' markets, street festivals, carnivals, and art walks. Such signs would not be exempt from the requirement to obtain a permit prior to installation.

PROCESSING TIME LIMITS

Since this ordinance amendment was initiated by the City, the processing time limits under the Permit Streamlining Act (Government Code Title 7, Division 1, Chapter 4.5), the Subdivision Map Act (Government Code Title 7, Division 2), and the California Environmental Quality Act Statutes and Guidelines (Public Resources Code Division 13, and California Code of Regulations, Title 14, Chapter 3) are not applicable.

ENVIRONMENTAL DETERMINATION

In accordance with the city's environmental review procedures adopted by resolution, the Planning Director determines the level of review necessary for a project to comply with the California Environmental Quality Act (CEQA). Some projects may be exempt from review based upon a specific category listed in CEQA. Other projects may be exempt under a general rule that environmental review is not necessary where it can be determined that there would be no possibility of significant effect upon the environment. A project which does not qualify for an exemption requires the preparation of an Initial Study to assess the level of potential environmental impacts.

The Director has reviewed this project and found it to qualify for a General Rule Exemption in accordance with Section 15061 of California Code of Regulations (CEQA Guidelines). No further environmental documentation is required.

STAFF RECOMMENDATION

1. Open the public hearing, accept public testimony and close the public hearing.
2. Adopt Resolution No. PC-2010-_____ recommending to the City Council approval of ZOA 2009-03.
