

ITEM 10.M.

MOORPARK CITY COUNCIL AGENDA REPORT

TO: Honorable City Council

FROM: Jessica Sandifer, Management Analyst 

DATE: August 20, 2010 (CC Meeting of September 1, 2010)

SUBJECT: Consider Agreement with BJ Palmer and Associates, Inc. for Analysis of the Relocation and/or Rerouting of Electrical Utility Facilities for the Civic Center and Resolution Amending the Fiscal Year 2010/11 Budget to Fund the Project

BACKGROUND

In March 2009, the City entered into a Real Property Acquisition Agreement (the "Agreement") with Essex Portfolio L.P. for the vehicular access driveway used by the United States Postal Service for their new building on High Street. One of the provisions of the Agreement requires the City to pay for a redesign of the Essex 66kv Pole Relocation Plan, previously prepared by RJR Engineering for Essex.

DISCUSSION

In addition to re-designing the Essex power pole plan, staff would like to also look into options to reroute the electrical utilities that are within the Civic Center site. Staff would like to hire BJ Palmer and Associates, Inc. to conduct the analysis and prepare some scenarios for different relocation and/or rerouting options.

FISCAL IMPACT

The cost of the Agreement will be \$10,220.00 with additional costs of \$1,500.00 for copying, for a total of \$11,720.00. There are currently no funds budgeted for this work so a budget amendment in the total contract amount will need to be approved.

The work will be paid for out of the Endowment Fund (2800).

2. Services

City hereby retains Consultant in a contractual capacity to perform professional analytical services as set forth in Exhibit A, Proposal, attached hereto and incorporated herein. If the Proposal is modified by this Agreement, or in the event there is a conflict between the provisions of the Proposal and this Agreement, the language contained in this Agreement shall take precedence.

3. Performance

Consultant shall at all times faithfully, competently and to the best of his/her ability, experience, and talent, perform all tasks described herein. The City Manager, or his designee, shall represent City in all matters pertaining to the administration of this Agreement, review and approval of all products submitted by Consultant. The City Manager is authorized to act on City's behalf to execute all

necessary documents which increase the scope of services or change Consultant's compensation, subject to Section 5 hereof.

5. Payment

a) For providing services as specified in this Agreement, City shall pay and Consultant shall receive as full compensation a total sum based on fees as shown in Proposal, in no event shall total compensation for the herein described work exceed that described in the proposal without prior written authorization from City. Consultant will provide appropriate back-up documentation, as determined by the City, for all reimbursable expenses.

c) Consultant will submit invoices at the completion of each of the tasks. Invoices shall be submitted on or about the first business day of the month, or as soon thereafter as practical, for services provided. Payment shall be made within 30-days of receipt of each invoice as to all non-disputed fees. If the City disputes any of Consultant's fees it shall give written notice to Consultant within 15-days of receipt of an invoice of any disputed fees set forth on the invoice.

6. Incorporation by Reference

All exhibits herein referenced are hereby incorporated into and made a part of the Agreement.

7. Suspension or Termination of Agreement without Cause

a) The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least ten (10) days prior written notice. Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement such suspension or termination shall not make void or invalidate the remainder of this Agreement.

b) In the event this Agreement is terminated pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of the termination, provided that the work performed is of value to the City. Upon termination of

the Agreement pursuant to this Section, the Consultant will submit an invoice to the City pursuant to Section 5.

a) The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and without fault or negligence of the Consultant, it shall not be considered a default.

b) If the City Manager or his/her designee determines that the Consultant is in default in the performance of any terms or conditions of this Agreement, the City Manager shall cause to be served upon the Consultant a written notice of the default. The Consultant shall have ten (10) days after service of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

9. Indemnification for Professional Liability

Consultant agrees to indemnify, protect, defend, and hold harmless the City of Moorpark, and any and all of its officials, employees, and agents from and against any and all losses, liabilities, damages, costs and expenses, including attorneys fees and costs to the extent same are caused in whole or in part by any negligent or wrongful act, error or omission of Consultant, its officers, agents, employees or sub-consultants in the performance of professional services under this agreement.

10. Indemnification for Other than Professional Liability

Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend, and hold harmless City, and any and all of its officials, employees and agents from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including attorneys fees and costs, court costs, interest, defense costs, and expert witness fees), where the same arise out of, or are a consequence of, or are in any way attributable to, in whole or in part, the performance of this Agreement by Consultant

or by any individual or entity for which Consultant is legally liable, including but not limited to officers, agents, employees, subconsultants, or contractors and subcontractors of Consultant.

11. General Indemnification Provisions

Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this section from each and every subconsultant, contractor, subcontractor, or any other person or entity involved by, for, with, or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required here, Consultant agrees to be fully responsible according to the terms of this section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement or this Section.

City does not and shall not waive any rights that it may have against Consultant by reason of this Section, because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless and indemnification provisions shall apply regardless of whether or not said insurance policies are determined to be applicable to any losses, liabilities, damages, costs and expenses described in Sections 9 and 10 of this Agreement.

12. Insurance

Consultant shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Exhibit B attached to and part of this Agreement.

13. Independent Consultant

a) Consultant is and shall at all times remain as to the City a wholly independent Consultant. Neither City nor any of its officers, employees, or agents shall have control over the conduct of Consultant or any of Consultant's officers, employees, or agents, except as set forth in this Agreement. Consultant shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of the City. Consultant shall not incur or have the power to incur any debt, obligation, or liability whatever against City, or bind City in any manner.

b) No employee benefits shall be available to Consultant in connection with the performance of this Agreement. Except for the fees paid to Consultant as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Consultant for performing services hereunder for City. City shall not be liable for compensation or indemnification to Consultant for injury or sickness arising out of performing services hereunder.

14. Notices

EXHIBIT B

Insurance Requirements

Prior to the beginning of and throughout the duration of the Work, Consultant will maintain insurance in conformance with the requirements set forth below. Consultant will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth here, Consultant agrees to amend, supplement or endorse the existing coverage to do so. Consultant acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to City in excess of the limits and coverage required in this agreement and which is applicable to a given loss, will be available to City.

Consultant shall provide the following types and amounts of insurance:

Commercial General Liability Insurance using Insurance Services Office "Commercial General Liability" policy form CG 00 01 or the exact equivalent. Defense costs must be paid in addition to limits. There shall be no cross liability exclusion for claims or suits by one insured against another. Limits are subject to review but in no event less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

Business Auto Coverage on ISO Business Auto Coverage form CA 00 01 including symbol 1 (Any Auto) or the exact equivalent. Limits are subject to review, but in no event to be less than \$1,000,000 per accident. If Consultant owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If Consultant or Consultant employees will use personal autos in any way on this project, Consultant shall provide evidence of personal auto liability coverage for each such person.

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against acts, errors or omissions of the consultant and "Covered Professional Services" as designated in the policy must specifically include work performed under this agreement. The policy limit shall be no less than \$1,000,000 per claim and in the aggregate. The policy must "pay on behalf of" the insured and must include a provision establishing the insurer's duty to defend. The policy retroactive date shall be on or before the effective date of this Agreement.

Worker's Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than \$1,000,000 per accident or disease.

Excess or Umbrella Liability Insurance (Over Primary) if used to meet limit requirements, shall provide coverage at least as broad as specified for the underlying coverages. Any

such coverage provided under an umbrella liability policy shall include a drop down provision providing primary coverage above a maximum of \$25,000 self-insured retention for liability not covered by primary but covered by umbrella. Coverage shall be provided on a "pay on behalf" basis, with defense costs payable in addition to policy limits. Policy shall contain a provision obligating insurer at the time insured's liability is determined, not requiring actual payment by the insured first. There shall be no cross liability exclusion precluding coverage for claims or suits by one insured against another. Coverage shall be applicable to the City for injury to employees of Consultant, subconsultants or others involved in the Work. The scope of coverage provided is subject to approval by the City following receipt of proof of insurance as required herein. Limits are subject to review but in no event less than \$1,000,000 per occurrence.

Insurance procured pursuant to these requirements shall be written by insurers that are admitted carriers in the State of California and with an A.M. Bests rating of A- or better and a minimum financial size VII.

General conditions pertaining to provision of insurance coverage by Consultant. Consultant and City agree to the following with respect to insurance provided by Consultant:

1. Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds City, its officials, employees, servants, agents, and independent consultants ("City indemnities"), using standard ISO endorsement No. CG 2010 with an edition prior to 1992. Consultant also agrees to require all contractors and subcontractors to do likewise.
2. No liability insurance coverage provided to comply with this Agreement shall prohibit Consultant, or Consultant's employees, or agents, from waiving the right of subrogation prior to a loss. Consultant agrees to waive subrogation rights against City regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractor's to do likewise.
3. All insurance coverage and limits provided by Consultant and available or applicable to this agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations limits the application of such insurance coverage.
4. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.
5. No liability policy shall contain any provision or definition that would serve to eliminate so-called "third party action over" claims, including any exclusion for bodily injury to an employee of the insured or any contractor or subcontractor.

6. All coverage types and limits required are subject to approval, modification, and additional requirements by the City, as the need arises. Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect City's protection without City's prior written consent.
7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Consultant's general liability policy, shall be delivered to City at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled at any time and no replacement coverage is provided, City has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other agreement and to pay the premium. Any premium so paid by City shall be charged to and promptly paid by Consultant or deducted from sums due Consultant, at City option.
8. Certificates are to reflect that the insurer will provide 30 days notice to City of any cancellation of coverage. Consultant agrees to require its insurer to modify such certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the certificate.
9. It is acknowledged by the parties of this agreement that all insurance coverage required to be provided by Consultant or any subconsultant, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self insurance available to City.
10. Consultant agrees to ensure that subcontractors, and any other party involved with the project, who is brought onto or involved in the project by Consultant, provide the same minimum insurance coverage required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the project will be submitted to City for review.
11. Consultant agrees not to self-insure or to use any self-insured retention or deductibles on any portion of the insurance required herein and further agrees that it will not allow any contractor, subcontractor, or other entity or person in any way involved in the performance of work on the project contemplated by this agreement to self-insure its obligations to City. If Consultant's existing coverage includes a deductible or self-insured retention, the deductible or self-insured

retention must be declared to the City. At that time the City shall review options with the Consultant, which may include reduction or elimination of the deductible of self-insured retention, substitution of other coverage, or other solutions.

12. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City will negotiate additional compensation proportional to the increased benefit to City.
13. For purposes of applying insurance coverage, only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
14. Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with any insurance requirement in no way imposes any additional obligations on City nor does it waive any rights hereunder in this or any other regard.
15. Consultant will renew the required coverage annually as long as City, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the Agreement is canceled or terminated for any reason. Termination of this obligation is not effective until City executes a written statement to that effect.
16. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from Consultant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement is required in these specifications applicable to the renewing or new coverage must be provided to City within five days of the expiration of the coverages.
17. The provisions of any workers' compensation or similar act will not limit the obligations of Consultant under this agreement. Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to City, its employees, officials, and agents.
18. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a

given issue, and is not intended by any party of insured to be limiting or all-inclusive.

19. These insurance requirements are intended to be separate and distinct from any other provision in this agreement and are intended by the parties here to be interpreted as such.
20. The requirements in this Section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
21. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.
22. Consultant agrees to provide immediate notice to City of any claim or loss against Consultant arising out of the work performed under this agreement. City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve City.
