SUBJECT: Consider Waiving Fees for Use of Council Chambers and Cost for Reelife Pictures to Broadcast the Board of Supervisors' Meeting Scheduled for October 19, 2010

DISCUSSION

The Ventura County Board of Supervisors (Board) has been approved to use the City's Council Chamber for their meeting of October 19, 2010. Throughout the year, the Board holds meetings in the various cities it serves to be available locally for citizen participation.

In 2008, the Board held a similar meeting on October 28th lasting three and one-half hours. There was no fee paid and the City absorbed the cost of the broadcast over Channel 10.

FISCAL IMPACT

The City would absorb the cost of approximately \$300 charged by Reelife Pictures to broadcast the Board meeting.

STAFF RECOMMENDATION

Direct staff to waive any fees and the cost to broadcast the Board of Supervisors' meeting on October 19, 2010.
