

**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**TO:** Honorable City Council

**FROM:** Dave Klotzle, City Engineer/Public Works Director  
Prepared by: Teri Davis, Senior Management Analyst 

**DATE:** February 8, 2012 (CC Meeting of 02/15/12)

**SUBJECT:** Consider Scheduling Special City Council Meeting in June 2012 to Hear Water Rate Presentations from Calleguas Municipal Water District and Metropolitan Water District of Southern California

**DISCUSSION**

The City recently requested both Calleguas Municipal Water District (Calleguas) and the Metropolitan Water District of Southern California (Metropolitan) to provide a detailed explanation of the factors affecting recent and projected increases in water costs and rates. A special meeting for the water rate presentations is proposed to allow sufficient time for the presentations and discussion.

Based on the availability of the Calleguas and Metropolitan agency representatives, staff is suggesting:

- 1) The date of June 13 or 27 for a special meeting to be scheduled for 7:00 p.m.

As an alternative, the Council could select another acceptable meeting date and time.

**STAFF RECOMMENDATION**

Direct staff as deemed appropriate.
