BACKGROUND & DISCUSSION

The Ruben Castro Human Services Center (RCHSC) was constructed as a multiple-prime contract project with construction management provided by Barnhart Balfour Beatty Construction (Balfour Beatty). Bids were solicited from trades in September 2010, opened on October 21, 2010 and construction contracts awarded by the City Council on January 19, 2011. Steelcon, Incorporated was selected as the lowest responsive and responsible bidder for the Structural Steel and Miscellaneous Metals bid package (Bid Package #06) and a construction agreement was executed on March 25, 2011.

As of May 15, 2013, all contract installation and administrative requirements have been satisfied by Steelcon, Incorporated. All requirements have been reviewed and found acceptable by staff and Balfour Beatty and their recommendation is attached. Staff is requesting that the City Council authorize the recordation of a Notice of Completion and release the Surety Bond # 1981319 at the expiration of the warranty period.

Upon City Council authorization to City Staff, the City Clerk shall file and record the Notice of Completion with the County of Ventura. - Performance Bond No. 1981319 shall be null and void one year after the recordation of the Notice of Completion
