Date: August 23, 2013 (CC Meeting of 9/4/13)

Subject: Consider Resolution Adopting Revised Parking Restrictions on Condor Drive and Rescinding Resolution No. 2013-3188

DISCUSSION

On May 15, 2013, City Council adopted Resolution No. 2013-3188 approving revised parking restrictions on Condor Drive. The revised parking restrictions allow parking on the westerly/southerly side of Condor Drive between the hours of 5:00AM and 10:00PM to accommodate the parking needs of PennyMac. The easterly/northerly side of Condor Drive remains posted "No Parking Anytime."

Staff recommends the parking restrictions on Condor Drive be revised further to provide a "No Stopping Anytime" zone immediately west of PennyMac's easterly driveway to allow sufficient space for vehicles to enter and exit PennyMac's easterly driveway as well as the driveway immediately opposite on the north side of Condor Drive. No other changes are recommended to the remaining parking restrictions on Condor Drive.

FISCAL IMPACT

The estimated cost for Public Works Maintenance staff to install the required signs to provide the revised parking restrictions is approximately \$400.00.

STAFF RECOMMENDATION

Adopt Resolution No. 2013 - ____ rescinding Resolution No. 2013-3188.
