**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**TO:** Honorable City Council

**FROM:** Dave Klotzle, City Engineer/Public Works Director   
Prepared by: Shaun Kroes, Senior Management Analyst 

**DATE:** August 23, 2013 (CC Meeting of 09/04/13)

**SUBJECT:** Consider Maintenance of Metrolink Memorial Plaque and Boulder in the Metrolink South Parking Lot

**BACKGROUND/DISCUSSION**

September 12, 2008 will be the five-year anniversary of Ventura County Metrolink Train 111's collision with a Union Pacific freight train. Twenty-five people died, including five Moorpark residents. To commemorate the event, a memorial plaque has been donated to the City of Moorpark (City), which will be placed in a planter in the Metrolink South Parking Lot. The plaque will be mounted to a boulder that has been relocated from the City's Tierra Rejada landscape to the Metrolink Station. The plaque will be unveiled during a memorial event in the afternoon of September 12, 2013 at the Metrolink Station (specific information about the event will be provided to City Council separately). The City will maintain the boulder and plaque as part of its current Ground Lease Agreement with the Ventura County Transportation Commission for operation of the South Parking Lot.

**FISCAL IMPACT**

Maintenance of the plaque and boulder will be covered by the City's Metrolink Landscape Services budget, 5000.8510.8073.9331.

**STAFF RECOMMENDATION**

Concur with City's maintenance of the memorial plaque and boulder in the Metrolink South Parking Lot.
