

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Jennifer Mellon, Administrative Services Manager 

DATE: January 13, 2014 (CC Meeting of 2/5/14)

SUBJECT: Consider Professional Services Agreement between City of Moorpark and Unique Management Services for Moorpark City Library Material Recovery Services

BACKGROUND AND DISCUSSION

The City has a need for material recovery services for the Moorpark City Library in order to assist with getting material back that has been borrowed and is long overdue or may be lost. Unique Management Services, Inc. (UMS) is a company that strictly provides material recovery services for over 1500 library clients. UMS utilizes a “gentle nudge” approach that is designed to maintain patron goodwill which is a high priority.

UMS charges a fixed fee of \$8.95 per patron account submitted. The one time flat rate covers the entire 120 day process of letters, calls, skip tracing, and credit reporting. As identified in Moorpark City Council Policy as recently amended, accounts will be referred to UMS if they are delinquent by \$50.00 or more at 60 days past due. It is estimated that Moorpark City Library with its annual circulation of approximately 122,000 items would refer an average of 15 accounts per month to UMS. In terms of anticipated recovery, the average Library using UMS reports a 4 to 1 return on investment.

UMS has a direct relationship with the Integrated Library System software platform (Polaris) used by the Moorpark City Library and has assisted with development of collection agency software for the platform which completely automates the process of sending the patron referrals from the library to UMS and tracks recoveries as patrons respond. All reports, letters, and telephone scripts are designed specifically for libraries.

FISCAL IMPACT

There is an estimated fiscal impact of \$2,000 per year for the material recovery services; however, those accounts referred to UMS with the outstanding balance of over \$50.00 have an additional \$10.00 charge added to their account which would be collected and offset the UMS charge if the material recovery process is successful for the referred account. The estimated \$2,000 for fiscal year 2013-14 will be funded from existing

budgeted funds within the Library budget. Staff will include funding in future fiscal year budgets for ongoing UMS costs at an amount of \$2,000 per year.

In addition, staff anticipates expending approximately \$2,000 to refer qualified delinquent accounts to UMS going back two (2) years to January 1, 2012. This one-time expenditure is in addition the normal referred accounts that will occur each month beginning upon execution of the Agreement. This one-time amount will be funded from existing budgeted funds within the Library budget.

STAFF RECOMMENDATION

Authorize the City Manager to execute a Professional Services Agreement with Unique Management Services, subject to final language approval by the City Manager and City Attorney.

Attachment: Professional Services Agreement

5. PAYMENT

Taxpayer ID or Social Security numbers must be provided, on an IRS 1099 form, before payments may be made to vendors.

The City agrees to pay Consultant monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit A based upon actual accounts referred. This amount shall not exceed eight dollars and ninety-five cents (\$8.95) for each account referred for the total term of the Agreement unless additional payment is approved as provided in this Agreement.

Consultant shall not be compensated for any services rendered in connection with its performance of this Agreement, which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager or the City Manager's designee. Consultant shall be compensated for any additional services in the amounts and in the manner as agreed to by City Manager and Consultant at the time City's written authorization is given to Consultant for the performance of said services.

Consultant shall submit invoices monthly for actual services performed. Invoices shall be submitted on or about the first business day of each month, or as soon thereafter as practical, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. Any expense or reimbursable cost appearing on any invoice shall be accompanied by a receipt or other documentation subject to approval of the City Manager or the City Manager's designee. If the City disputes any of Consultant's fees or expenses, City shall give written notice to Consultant within thirty (30) days of receipt of any disputed fees set forth on the invoice.

6. TERMINATION OR SUSPENSION WITHOUT CAUSE

The City may at any time, for any reason, with or without cause, suspend, or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least thirty (30) days prior written notice. Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement such suspension or termination shall not make void or invalidate the remainder of this Agreement.

The Consultant may terminate this Agreement only by providing City with written notice no less than thirty (30) days in advance of such termination.

In the event this Agreement is terminated or suspended pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of termination or suspension, provided that the work performed is of value to the City. Upon termination or suspension of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City pursuant to this Agreement.

7. DEFAULT OF CONSULTANT

The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate or suspend this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and without fault or negligence of the Consultant, it shall not be considered a default.

If the City Manager or his/her designee determines that the Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall cause to be served upon the Consultant a written notice of the default. The Consultant shall have thirty (30) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

8. INDEMNIFICATION AND HOLD HARMLESS

Indemnity for professional liability: When the law establishes a professional standard of care for Consultant's Services, to the fullest extent permitted by law, Consultant shall indemnify, protect, defend and hold harmless City and any and all of its officials, employees and agents ("Indemnified Parties") from and against any and all losses, liabilities, damages, costs and expenses, including legal counsel's fees and costs to the extent same are caused in whole or in part by any negligent or wrongful act, error or omission of Consultant, its officers, agents, employees or subconsultants (or any agency or individual that Consultant shall bear the legal liability thereof) in the performance of professional services under this Agreement.

Indemnity for other than professional liability: Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend and hold harmless City, and any and all of its employees, officials and agents from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including legal counsel fees and costs, court costs, interest, defense costs, and expert witness fees), where the same arise out of, are a consequence of, or are in any way attributable to, in whole or in part, the performance of this Agreement by Consultant or by any individual or agency

for which Consultant is legally liable, including but not limited to officers, agents, employees or subcontractors of Consultant.

Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this Section from each and every subconsultant, or any other person or entity involved by, for, with, or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required here, Consultant agrees to be fully responsible according to the terms of this Section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns, or heirs of Consultant and shall survive the termination of this Agreement or this Section.

City does not and shall not waive any rights that it may have against Consultant by reason of this Section, because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless and indemnification provisions shall apply regardless of whether or not said insurance policies are determined to be applicable to any losses, liabilities, damages, costs, and expenses described in this Section.

9. INSURANCE

Consultant shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

No employee benefits shall be available to Consultant in connection with the performance of this Agreement. Except for the fees paid to Consultant as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Consultant for performing services hereunder for City. City shall not be liable for compensation or indemnification to Consultant for injury or sickness arising out of performing services hereunder.

11. LEGAL RESPONSIBILITIES

The City, and its officers and employees, shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this Section.

12. ANTI DISCRIMINATION

Neither the Consultant, nor any sub-consultant under the Consultant, shall discriminate in employment of persons upon the work because of race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or gender of such person, except as provided in Section 12940 of the Government Code. INSURANCE REQUIREMENTS

Prior to the beginning of and throughout the duration of Work, Consultant will maintain insurance in conformance with the requirements set forth below. Consultant will use existing coverage to comply with these requirements. If that existing coverage does not meet requirements set forth here, Consultant agrees to amend, supplement, or endorse the existing coverage to do so. Consultant acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to the City in excess of the limits and coverage required in this Agreement and which is applicable to a given loss, will be available to the City.

Consultant shall provide the following types and amounts of insurance:

Commercial General Liability Insurance using Insurance Services Office (ISO) "Commercial General Liability" policy form CG 00 01 or the exact equivalent. Defense costs must be paid in addition to limits. There shall be no cross liability exclusion for claims or suits by one insured against another. Limits are subject to review but in no event less than \$1,000,000 per occurrence for all covered losses and no less than \$2,000,000 general aggregate.

Workers' Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than \$1,000,000 per accident or disease.

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against acts, error or omissions of the Consultant and "Covered Professional Services" as designated in the policy must specifically include work performed under this Agreement. The policy limit shall be no less than \$1,000,000 per claim and in the aggregate. The policy must "pay on behalf of" the insured and must include a provision establishing the insurer's duty to defend. The policy retroactive date shall be on or before the effective date of this Agreement.

Insurance procured pursuant to these requirements shall be written by insurers that are admitted carriers in the State of California and with an A.M. Bests rating of A- or better and a minimum financial size of VII.

General conditions pertaining to provision of insurance coverage by Consultant. Consultant and the City agree to the following with respect to insurance provided by Consultant:

1. Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds the City, its officials, employees, and agents.

2. No liability insurance coverage provided to comply with this Agreement shall prohibit Consultant, or Consultant's employees, or agents, from waiving the right to subrogation prior to a loss. Consultant agrees to waive subrogation rights against the City regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractors to do likewise.
3. All insurance coverage and limits provided by Contractor and available or applicable to this Agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operation limits the application of such insurance coverage.
4. None of the coverages required herein will be in compliance with these requirements if they include limiting endorsement of any kind that has not been first submitted to the City and approved in writing.
5. No liability policy shall contain any provision or definition that would serve to eliminate so-called "third party action over" claims, including any exclusion for bodily injury to an employee of the insured or of any contractor or subcontractor.
6. All coverage types and limits required are subject to approval, modification, and additional requirements by the City, as the need arises. Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect the City's protection without the City's prior written consent.
7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Consultant's general liability policy, shall be delivered to city at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled or reduced at any time and no replacement coverage is provided, the City has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other Agreement and to pay the premium. Any premium so paid by the City shall be charged to and promptly paid by Consultant or deducted from sums due Consultant, at the City's option.
8. Certificate(s) are to reflect that the insurer will provide thirty (30) days notice to the City of any cancellation or reduction of coverage. Consultant agrees to require its insurer to modify such certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation or reduction of coverage imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the certificate.
9. It is acknowledged by the parties of this Agreement that all insurance coverage required to be provided by Consultant or any subcontractor, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self-insurance available to the City.

10. Consultant agrees to ensure that subcontractors, and any other party involved with the Work who is brought onto or involved in the Work by Consultant, provide the same minimum insurance required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the Work will be submitted to the City for review.
11. Consultant agrees not to self-insure or to use any self-insured retentions or deductibles on any portion of the insurance required herein and further agrees that it will not allow any contractor, subcontractor, Architect, Engineer, or other entity or person in any way involved in the performance of Work contemplated by this Agreement to self-insure its obligations to the City. If Consultant's existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the City. At that time, the City shall review options with the Consultant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.
12. The City reserves the right at any time during the term of the Agreement to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City will negotiate additional compensation proportional to the increased benefit to the City.
13. For purposes of applying insurance coverage only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
14. Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with an insurance requirement in no way imposes any additional obligations to the City nor does it waive any rights hereunder in this or any other regard.
15. Consultant will renew the required coverage annually as long as the City, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the Agreement is canceled or terminated for any reason. Termination of this obligation is not effective until the City executes a written statement to that effect.
16. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from Consultant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement as required in these

specifications applicable to the renewing or new coverage must be provided to the City within five days of the expiration of coverage.

17. The provisions of any Workers' Compensation or similar act will not limit the obligations of Consultant under this Agreement. Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to the City, its employees, officials and agents.
18. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits, or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.
19. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the parties here to be interpreted as such.
20. The requirements in this section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts or impairs the provisions of this section.
21. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the Work reserves the right to charge the City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the City. It is not the intent of the City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against the City for payment of premiums or other amounts with respect thereto.
22. Consultant agrees to provide immediate notice to City of any claim or loss against Consultant arising out of the work performed under this Agreement. The City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the City.
