

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Jessica Sandifer, Management Analyst

DATE: June 20, 2014 (CC Meeting of July 2, 2014)

SUBJECT: Consider Agreement with R.A. Atmore and Sons, Inc. for Weed Abatement at Various City Properties

BACKGROUND & DISCUSSION

The City is responsible for maintaining various properties that it owns. A majority of the properties are vacant land. It becomes necessary throughout the course of the year, to perform weed abatement activities at each of the properties. Staff finds it convenient to maintain an on-call weed abatement agreement in order to take care of the property maintenance in an expeditious manner.

The City has used R.A. Atmore and Sons, Inc. ("Atmore") to perform weed abatement and is recommending continuing use of Atmore for on-going weed abatement on an on-call basis. Atmore has the expertise and qualifications to perform these services and is familiar with the City's properties. Atmore has performed satisfactorily. The proposed agreement will be valid through June 30, 2015.

FISCAL IMPACT

The agreement is for a not-to-exceed amount of \$20,000. Funds for these services have been included in the FY 2013-14 budgets for the individual properties. If additional funds are needed a budget amendment will be brought back to Council at a later date.

STAFF RECOMMENDATION

Approve Agreement for weed abatement at various properties subject to final language approval of the City Manager and City Attorney, and authorize City Manager to execute the Agreement.

5. PAYMENT

Taxpayer ID or Social Security numbers must be provided, on an IRS 1099 form, before payments may be made to vendors.

The City agrees to pay Consultant monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, when authorized by the City's designated representative, based upon actual time spent on the above tasks. This amount shall not exceed twenty thousand dollars (\$20,000) for the total term of the Agreement unless additional payment is approved as provided in this Agreement.

Consultant shall not be compensated for any services rendered in connection with its performance of this Agreement, which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Consultant shall be compensated for any additional services in the amounts and in the manner as agreed to by City Manager and Consultant at the time City's written authorization is given to Consultant for the performance of said services.

Consultant shall submit invoices monthly for actual services performed. Invoices shall be submitted on or about the first business day of each month, or as soon thereafter as practical, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. Any expense or reimbursable cost appearing on any invoice shall be accompanied by a receipt or other documentation subject to approval of the City Manager. If the City disputes any of Consultant's fees or expenses it shall give written notice to Consultant within thirty (30) days of receipt of any disputed fees set forth on the invoice.

6. TERMINATION OR SUSPENSION WITHOUT CAUSE

The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least ten (10) days prior written notice. Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement such suspension or termination shall not make void or invalidate the remainder of this Agreement.

The Consultant may terminate this Agreement only by providing City with written notice no less than thirty (30) days in advance of such termination.

In the event this Agreement is terminated or suspended pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of termination or suspension, provided that the work performed is of value to the City. Upon termination or suspension of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City pursuant to this Agreement.

7. DEFAULT OF CONSULTANT

The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate or suspend this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and without fault or negligence of the Consultant, it shall not be considered a default.

If the City Manager or the City Manager's designee determines that the Consultant is in default in the performance of any of the terms or conditions of this Agreement, designee shall cause to be served upon the Consultant a written notice of the default. The Consultant shall have seven (7) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

8. LIQUIDATED DAMAGES

If the Consultant fails to complete the work, or any portion thereof, within the time period required by this Agreement, or as duly extended in writing by the City Manager, Consultant shall forfeit and pay to the City, as liquidated damages, the sum of twenty-five dollars (\$25) per day for each calendar day the work, or portion thereof, remains uncompleted after the above specified completion date. Liquidated damages shall be deducted from any payments due or to become due to the Consultant under the terms

of this Agreement. Progress payments made by the City after the above specified completion date shall not constitute a waiver of liquidated damages by the City.

9. OWNERSHIP OF DOCUMENTS

Consultant shall maintain complete and accurate records with respect to sales, costs, expenses, receipts, and other such information required by City that relate to the performance of services under this Agreement. Consultant shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Consultant shall provide free access to the representatives of City or the City's designees at reasonable times to such books and records; shall give the City the right to examine and audit said books and records; shall permit City to make transcripts therefrom as necessary; and shall allow inspection of all work, data, documents, proceedings, and activities related to this Agreement. Notification of audit shall be provided at least thirty (30) days before any such audit is conducted. Such records, together with supporting documents, shall be maintained for a period of ten (10) years after receipt of final payment.

Upon completion of, or in the event of termination or suspension without cause of this Agreement, all original documents, designs, drawings, maps, models, computer files, surveys, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the City and may be used, reused, or otherwise disposed of by the City without the permission of the Consultant. With respect to computer files, Consultant shall make available to the City, at the Consultant's office and upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring, and printing computer files.

10. INDEMNIFICATION AND HOLD HARMLESS

Consultant shall indemnify, defend and hold harmless Agency, and any and all of its officers, employees, and agents ("Agency Indemnitees") from and against any and all causes of action, claims, liabilities, obligations, judgments, or damages, including reasonable legal counsels' fees and costs of litigation ("claims"), arising out of the Consultant's performance of its obligations under this Agreement or out of the operations conducted by Consultant, including the Agency's active or passive negligence, except for such loss or damage arising from the sole negligence or willful misconduct of the Agency. In the event the Agency Indemnitees are made a party to any action, lawsuit, or other adversarial proceeding arising from Consultant's performance of this Agreement, the Consultant shall provide a defense to the Agency Indemnitees or at the Agency's option reimburse the Agency Indemnitees their costs of defense, including reasonable legal counsels' fees incurred in defense of such claims.

Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth in this Section from each and every subconsultant, or any other person or entity involved by, for, with, or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity

obligations from others as required here, Consultant agrees to be fully responsible according to the terms of this Section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns, or heirs of Consultant and shall survive the termination of this Agreement or this Section.

City does not and shall not waive any rights that it may have against Consultant by reason of this Section, because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless and indemnification provisions shall apply regardless of whether or not said insurance policies are determined to be applicable to any losses, liabilities, damages, costs, and expenses described in this Section.

11. INSURANCE

Consultant shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Exhibit A attached hereto and incorporated herein by this reference as though set forth in full.

12. INDEPENDENT CONSULTANT

Consultant shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of the City. Consultant shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

No employee benefits shall be available to Consultant in connection with the performance of this Agreement. Except for the fees paid to Consultant as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Consultant for performing services hereunder for City. City shall not be liable for compensation or indemnification to Consultant for injury or sickness arising out of performing services hereunder.

13. LEGAL RESPONSIBILITIES

The Consultant shall keep itself informed of local, state and federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. The City, and its officers and employees, shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this Section.

14. ANTI DISCRIMINATION

The Consultant shall have responsibility for compliance with this Section [Labor Code Sec. 1735].

15. UNDUE INFLUENCE

Consultant declares and warrants that no undue influence or pressure is used against or in concert with any officer or employee of the City in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of the City will receive compensation, directly or indirectly from Consultant, or any officer, employee or agent of Consultant, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling the City to any and all remedies at law or in equity.

16. NO BENEFIT TO ARISE TO LOCAL EMPLOYEES

No member, officer, or employee of the City, or their designees or agents, and no public official who exercises authority over or responsibilities with respect to the Services during his/her tenure or for one (1) year thereafter, shall have any interest, direct or indirect, in any agreement or sub-agreement, or the proceeds thereof, for work to be performed in connection with the Services performed under this Agreement.

17. CONFLICT OF INTEREST

Consultant further covenants that in the performance of this Agreement, they shall employ no person having such interest as an officer, employee, agent, or subconsultant. Consultant further covenants that Consultant has not contracted with nor is performing any services directly or indirectly, with the developer(s) and/or property owner(s) and/or firm(s) and/or partnership(s) and/or public agency(ies) owning property and/or processing an entitlement application for property in the City or its Area of Interest, now or within the past one (1) year, and further covenants and agrees that Consultant and/or its subconsultants shall provide no service or enter into any contract with any developer(s) and/or property owner(s) and/or firm(s) and/or partnership(s) and/or public agency(ies) owning property and/or processing an entitlement application for property in the City or its Area of Interest, while under contract with the City and for a one (1) year time period following termination of this Agreement.

INSURANCE REQUIREMENTS

Prior to the beginning of and throughout the duration of Work, Consultant will maintain insurance in conformance with the requirements set forth below. Consultant will use existing coverage to comply with these requirements. If that existing coverage does not meet requirements set forth here, Consultant agrees to amend, supplement or endorse the existing coverage to do so. Consultant acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to the City in excess of the limits and coverage required in this Agreement and which is applicable to a given loss, will be available to the City.

Consultant shall provide the following types and amounts of insurance:

Commercial General Liability Insurance using Insurance Services Office (ISO) "Commercial General Liability" policy form CG 00 01 or the exact equivalent. Defense costs must be paid in addition to limits. There shall be no cross liability exclusion for claims or suits by one insured against another. Limits are subject to review but in no event less than \$1,000,000 per occurrence for all covered losses and no less than \$2,000,000 general aggregate.

Business Auto Coverage on ISO Business Auto Coverage form CA 00 01 including symbol 1 (Any Auto) or the exact equivalent. Limits are subject to review, but in no event to be less than \$1,000,000 per accident. If Consultant owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If Consultant or Consultant's employees will use personal autos in any way on this project, Consultant shall provide evidence of personal auto liability for each such person.

Workers' Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than \$1,000,000 per accident or disease.

Excess or Umbrella Liability Insurance (Over Primary) if used to meet limit requirements, shall provide coverage at least as broad as specified for the underlying coverages. Coverage shall be provided on a "pay on behalf" basis, with defense costs payable in addition to policy limits. Policy shall contain a provision obligating insurer at the time insured's liability is determined, not requiring actual payment by the insured first. There shall be no cross liability exclusion precluding coverage for claims or suits by one insured against another. Coverage shall be applicable to the City for injury to employees of Consultant, subconsultants or others involved in the Work. The scope of coverage provided is subject to approval by the City following receipt of proof of insurance as required herein. Limits are subject to review.

Insurance procured pursuant to these requirements shall be written by insurers that are admitted carriers in the State of California and with an A.M. Bests rating of A- or better and a minimum financial size of VII.

General conditions pertaining to provision of insurance coverage by Consultant. Consultant and the City agree to the following with respect to insurance provided by Consultant:

1. Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds the City, its officials, employees, and agents, using standard ISO endorsement CG 2010 with an edition prior to 2004. Consultant also agrees to require all contractors and subcontractors to do likewise.
2. No liability insurance coverage provided to comply with this Agreement shall prohibit Consultant, or Consultant's employees, or agents, from waiving the right to subrogation prior to a loss. Consultant agrees to waive subrogation rights against the City regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractors to do likewise.
3. All insurance coverage and limits provided by Contractor and available or applicable to this Agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operation limits the application of such insurance coverage.
4. None of the coverages required herein will be in compliance with these requirements if they include limiting endorsement of any kind that has not been first submitted to the City and approved in writing.
5. No liability policy shall contain any provision or definition that would serve to eliminate so-called "third party action over" claims, including any exclusion for bodily injury to an employee of the insured or of any contractor or subcontractor.
6. All coverage types and limits required are subject to approval, modification, and additional requirements by the City, as the need arises. Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect the City's protection without the City's prior written consent.
7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Consultant's general liability policy, shall be delivered to city at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled or reduced at any time and no replacement coverage is provided, the City has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other Agreement and to pay the premium. Any

premium so paid by the City shall be charged to and promptly paid by Consultant or deducted from sums due Consultant, at the City's option.

8. Certificate(s) are to reflect that the insurer will provide 30 days notice to the City of any cancellation or reduction of coverage. Consultant agrees to require its insurer to modify such certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation or reduction of coverage imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the certificate.
9. It is acknowledged by the parties of this Agreement that all insurance coverage required to be provided by Consultant or any subcontractor, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self-insurance available to the City.
10. Consultant agrees to ensure that subcontractors, and any other party involved with the Work who is brought onto or involved in the Work by Consultant, provide the same minimum insurance required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the Work will be submitted to the City for review.
11. Consultant agrees not to self-insure or to use any self-insured retentions or deductibles on any portion of the insurance required herein and further agrees that it will not allow any contractor, subcontractor, Architect, Engineer, or other entity or person in any way involved in the performance of Work contemplated by this Agreement to self-insure its obligations to the City. If Consultant's existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the City. At that time, the City shall review options with the Consultant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.
12. The City reserves the right at any time during the term of the Agreement to change the amounts and types of insurance required by giving the Consultant 90 days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City will negotiate additional compensation proportional to the increased benefit to the City.
13. For purposes of applying insurance coverage only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
14. Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with an insurance

requirement in no way imposes any additional obligations to the City nor does it waive any rights hereunder in this or any other regard.

15. Consultant will renew the required coverage annually as long as the City, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the Agreement is canceled or terminated for any reason. Termination of this obligation is not effective until the City executes a written statement to that effect.
16. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. As coverage binder or letter from Consultant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement as required in these specification applicable to the renewing or new coverage must be provided to the City within five days of the expiration of coverage.
17. The provisions of any Workers' Compensation or similar act will not limit the obligations of Consultant under this Agreement. Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to the City, its employees, officials, and agents.
18. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits, or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.
19. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the parties here to be interpreted as such.
20. The requirements in this section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts or impairs the provisions of this section.
21. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the Work reserves the right to charge the City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the City. It is not the intent of the City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against the City for payment of premiums or other amounts with respect thereto.
22. Consultant agrees to provide immediate notice to City of any claim or loss against Consultant arising out of the work performed under this Agreement. The

City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the City.
