

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Jennifer Mellon, Administrative Services Manager 

DATE: April 3, 2015 (CC Meeting of 04/15/15)

SUBJECT: Consider Beverage Container Recycling Grant and Payment Program Funding Request Submittal to the California Department of Resources Recycling and Recovery

BACKGROUND AND DISCUSSION

The California Beverage Container Recycling and Litter Reduction Act provides funding to cities and counties for beverage container recycling programs. The funding source is the California Redemption Value (CRV) premium that is paid when consumers purchase beverages in glass bottles, cans, and plastic containers.

Funding is distributed on a per capita basis and the City of Moorpark is entitled to receive \$9,292 for Fiscal Year 2014/15. The City completes an on-line funding request form, attached, to receive the money and no City Resolution is required.

Eligible activities for the expenditure of these funds are defined as:

- Support for new or existing curbside recycling programs
- Neighborhood drop-off recycling programs
- Public education promoting beverage container recycling
- Litter prevention and cleanup where beverage containers are recycled
- Cooperative regional efforts among two or more cities and counties, or both
- Other beverage container recycling programs

Staff recommends Council approve the funding request to receive funds to be used to support various City beverage container recycling projects, programs, and future initiatives such as:

- Recycling promotion and collection at city and community large events such as the Arts Festival, Day in the Park, 3rd of July, Country Days, Roam'n Relics, and private sports tournaments at AVRC.

- Procurement of permanent beverage recycling containers for park facilities, areas of high pedestrian travel, and City bus stops.
- Coastal and Inland Waterways Clean-up Day, the third Saturday in September.

Presently, this is an annual recurring grant from the California Department of Recycling Resources and Recovery (CalRecycle). Upon acceptance and approval of the City's funding request, funds are received by the City.

FISCAL IMPACT

This is a request for funding from CalRecycle. Matching funds are not required. Total funds requested are \$9,292 which, if received, must be expended on beverage container recycling projects within two years of receipt.

STAFF RECOMMENDATION

Authorize the City Manager or his designee to submit the Beverage Container Recycling Grant Funding Request and all required documents to CalRecycle.
