

**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**TO: Honorable City Council**

**FROM: Deborah S. Traffenstedt, Assistant City Manager DST**  
**BY: Teri Davis, Senior Management Analyst**

**DATE: April 30, 2015 (CC Meeting of 05/06/15)**

**SUBJECT: Consider Agreement between the City of Moorpark and U.S. HealthWorks Medical Group, Prof. Corp. for Medical Services for Employees**

**BACKGROUND AND DISCUSSION**

The City of Moorpark (City) for many years has used a clinic located in the City of Simi Valley for pre-employment medical testing and including drug and alcohol testing for City designated positions, commercial driver license physical and drug and alcohol testing, tuberculosis testing (for Parks and Recreation employees) in compliance with California Public Resources Code Section 5163(a), and workers' compensation medical services. This provider was at one time affiliated with Simi Valley Hospital, but later became an independent company.

Staff is recommending that medical services for employees now be provided by entering into an agreement with U.S. Healthworks Medical Group, Prof. Corp. (Healthworks). The closest Healthworks office is located in the City of Camarillo. The City will continue to use Simi Valley Hospital for after hour and emergency medical services. The primary reason for making a change to contract with Healthworks is that the California Joint Powers Insurance Authority (Authority), of which the City is a member, recently partnered with Harbor Health Systems for the provision of a medical provider network (MPN) for the Authority's Workers' Compensation insurance program, and Healthworks is approved by Harbor Health Systems to provide MPN services to Authority members.

"A medical provider network (MPN) is a health care provider or group of providers selected by a self-insured employer and approved by the Division of Workers' Compensation to treat workers injured on the job. Each MPN must include a mix of doctors specializing in work-related injuries and doctors with expertise in general areas of medicine. MPNs are required to meet access to care standards for common occupational injuries and work-related illnesses. The regulations also require MPNs to follow all medical treatment guidelines established by the Division of Workers' Compensation and allow employees a choice of providers within the network after their first visit..."<sup>1</sup>

<sup>1</sup> Rush, Jeff, "Medical Provider Network," *The Authority*, Issue 30, August 2014, Article 3

Other reasons that staff is recommending contracting with Healthworks include the following: longer hours of operation; an onsite x-ray machine; onsite breathalyzer testing; more staff; a larger facility; electronic communication and recordkeeping capabilities; and Healthworks is fully certified to provide commercial driver license physicals and conduct drug and alcohol testing in compliance with the requirements of law. Also, there is less risk of confusing employees about where to go for medical services if the City continues to use one medical clinic to provide workers compensation medical services, as well as all other medical services that the City arranges for employees.

### **FISCAL IMPACT**

There will be increased City costs for contracting with Healthworks for some of the medical services listed in Schedule A of the draft agreement (attached). The advantages of using Healthworks for providing medical services are described in the previous section of this report. No change to the Budget is expected to be required for pre-employment related medical services, and staff will review whether any change is required for commercial driver license related medical service costs for the next fiscal year Budget.

### **STAFF RECOMMENDATION**

Approve the Agreement subject to final language approval of the City Manager and authorize the City Manager to sign the Agreement.

2. SCOPE OF SERVICES

City does hereby retain Consultant, as an independent contractor, in a contractual capacity to provide medical services, as set forth in Exhibit B. In the event there is a conflict between the provisions of Exhibit B and this Agreement, the language contained in this Agreement shall take precedence.

Compensation for the services to be performed by Consultant shall be in accordance with Exhibit B. Compensation shall not exceed the rates as stated in Exhibit B without a

written Amendment to the Agreement executed by both parties. Payment by City to Consultant shall be in accordance with the provisions of this Agreement.

3. PERFORMANCE

4. MANAGEMENT

The individual directly responsible for Consultant's overall performance of the Agreement provisions herein above set forth and to serve as principal liaison between City and Consultant shall be Elliot Cohen, and no other individual may be substituted without the prior written approval of the City Manager.

The City's contact person in charge of administration of this Agreement, and to serve as principal liaison between Consultant and City, shall be the City Manager or the City Manager's designee.

The City agrees to pay Consultant monthly, in accordance with the payment rates and terms as set forth in Exhibit B. Consultant shall not be compensated for any services rendered in connection with its performance of this Agreement, which are in addition to those set forth herein, unless such additional services and compensation are authorized, in advance, in a written amendment to this Agreement executed by both parties.

Consultant shall submit invoices monthly for actual services performed. Invoices shall be submitted on or about the first business day of each month, or as soon thereafter as practical, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. Any expense or reimbursable cost appearing on any invoice shall be accompanied by a receipt or other documentation subject to approval of the City Manager or the City Manager's designee. If the City disputes any of Consultant's fees or expenses, City shall give written notice to Consultant within thirty (30) days of receipt of any disputed fees set forth on the invoice.

6. TERMINATION OR SUSPENSION WITHOUT CAUSE

The City may at any time, for any reason, with or without cause, suspend, or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least ten (10) days prior written notice. Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

The Consultant may terminate this Agreement only by providing City with written notice no less than thirty (30) days in advance of such termination.

In the event this Agreement is terminated or suspended pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of termination or suspension, provided that the work performed is of value to the City. Upon termination or suspension of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City pursuant to this Agreement.

7. DEFAULT OF CONSULTANT

The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate or suspend this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and without fault or negligence of the Consultant, it shall not be considered a default.

If the City Manager or his/her designee determines that the Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall cause to be served upon the Consultant a written notice of the default. The Consultant shall have five (5) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

8. LIQUIDATED DAMAGES

No liquidated damages apply to this Agreement.

9. OWNERSHIP OF DOCUMENTS

Consultant shall maintain complete and accurate records with respect to services provided and invoicing for services provided and other such information that relate to the

performance of services under this Agreement. Consultant shall maintain adequate records of medical services provided in sufficient detail to permit an evaluation of services in the event of litigation. All medical services and financial records shall be maintained in accordance with the requirements of state and federal law, including for financial records as required by generally accepted accounting principles.

10. INDEMNIFICATION AND HOLD HARMLESS

Indemnity for professional liability: When the law establishes a professional standard of care for Consultant's Services, to the fullest extent permitted by law, Consultant shall indemnify, protect, defend and hold harmless City and any and all of its officials, employees and agents ("Indemnified Parties") from and against any and all losses, liabilities, damages, costs and expenses, including legal counsels' fees and costs to the extent same are caused in whole or in part by any negligent or wrongful act, error or omission of Consultant, its officers, agents, employees or subconsultants (or any agency or individual that Consultant shall bear the legal liability thereof) in the performance of professional services under this Agreement.

Indemnity for other than professional liability: Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend and hold harmless City, and any and all of its employees, officials and agents from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including legal counsels' fees and costs, court costs, interest, defense costs, and expert witness fees), where the same arise out of, are a consequence of, or are in any way attributable to, in whole or in part, the performance of this Agreement by Consultant or by any individual or agency for which Consultant is legally liable, including but not limited to officers, agents, employees or subcontractors of Consultant.

Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this Section from each and every subconsultant, or any other person or entity involved by, for, with, or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required here, Consultant agrees to be fully responsible according to the terms of this Section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns, or heirs of Consultant and shall survive the termination of this Agreement or this Section.

City does not and shall not waive any rights that it may have against Consultant by reason of this Section, because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless and indemnification provisions shall apply regardless of whether or not said insurance policies are determined to be applicable to any losses, liabilities, damages, costs, and expenses described in this Section.

11. INSURANCE

Consultant shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Exhibit A attached hereto and incorporated herein by this reference as though set forth in full.

12. INDEPENDENT CONSULTANT

Consultant is and shall at all times remain as to the City a wholly independent Contractor. The personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Neither City nor any of its officers, employees, or agents shall have control over the conduct of Consultant or any of Consultant's officers, employees, or agents, except as set forth in this Agreement. Consultant shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers or employees, or agents of the City except as set forth in this Agreement. Consultant shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

No employee benefits shall be available to Consultant in connection with the performance of this Agreement. Except for the fees paid to Consultant as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Consultant for performing services hereunder for City. City shall not be liable for compensation or indemnification to Consultant for injury or sickness arising out of performing services hereunder.

City does not grant Consultant any rights to use the City seal, logo, or other proprietary symbols or designations. Consultant may use City's name in an advertisement identifying City as a client, subject to City's advance written concurrence that such use of the City's name is in compliance with City Council adopted policy and conflict of interest laws.

13. LEGAL RESPONSIBILITIES

The Consultant shall keep itself informed of local, state, and federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations, including but not limited to the Americans with Disabilities Act and Occupational Health and Safety Administration laws and regulations. The City, and its officers and employees, shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this Section.

14. ANTI DISCRIMINATION

Neither the Consultant, nor any subconsultant under the Consultant, shall discriminate in employment of persons upon the work because of race, religious creed, color, national

origin, ancestry, physical handicap, medical condition, marital status or gender of such person, except as provided in Section 12940 of the Government Code. The Consultant shall have responsibility for compliance with this Section [Labor Code Section 1735].

15. UNDUE INFLUENCE

Consultant declares and warrants that no undue influence or pressure is used against or in concert with any officer or employee of the City in connection with the award, terms, or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of the City will receive compensation, directly or indirectly from Consultant, or any officer, employee, or agent of Consultant, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling the City to any and all remedies at law or in equity.

16. NO BENEFIT TO ARISE TO LOCAL EMPLOYEES

No member, officer, or employee of the City, or their designees or agents, and no public official who exercises authority over or responsibilities with respect to the Services during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any agreement or sub-agreement, or the proceeds thereof, for work to be performed in connection with the Services performed under this Agreement.

17. CONFLICT OF INTEREST

## EXHIBIT A

### INSURANCE REQUIREMENTS

Prior to the beginning of and throughout the duration of Work, Consultant will maintain insurance in conformance with the requirements set forth below. Consultant will use existing coverage to comply with these requirements. If that existing coverage does not meet requirements set forth here, Consultant agrees to amend, supplement, or endorse the existing coverage to do so. Consultant acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to the City in excess of the limits and coverage required in this Agreement and which is applicable to a given loss, will be available to the City.

Consultant shall provide the following types and amounts of insurance:

Commercial General Liability Insurance using Insurance Services Office (ISO) "Commercial General Liability" policy form CG 00 01 or the exact equivalent. Defense costs must be paid in addition to limits. There shall be no cross liability exclusion for claims or suits by one insured against another. Limits are subject to review but in no event less than \$1,000,000 per occurrence for all covered losses and no less than \$2,000,000 general aggregate.

Business Auto Coverage on ISO Business Auto Coverage form CA 00 01 including symbol 1 (Any Auto) or the exact equivalent. Limits are subject to review, but in no event to be less than \$1,000,000 per accident. If Consultant owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If Consultant or Consultant's employees will use personal autos in any way on this project, Consultant shall provide evidence of personal auto liability for each such person.

Workers' Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than \$1,000,000 per accident or disease.

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against acts, error or omissions of the Consultant and "Covered Professional Services" as designated in the policy must specifically include work performed under this Agreement. The policy limit shall be no less than \$1,000,000 per claim and in the aggregate. The policy must "pay on behalf of" the insured and must include a provision establishing the insurer's duty to defend. The policy retroactive date shall be on or before the effective date of this Agreement.

Excess or Umbrella Liability Insurance (Over Primary) if used to meet limit requirements, shall provide coverage at least as broad as specified for the underlying coverages. Coverage shall be provided on a "pay on behalf" basis, with defense costs payable in addition to policy limits. Policy shall contain a provision obligating insurer at the time insured's liability is determined, not requiring actual payment by the insured first. There shall be no cross liability exclusion

precluding coverage for claims or suits by one insured against another. Coverage shall be applicable to the City for injury to employees of Consultant, subconsultants, or others involved in the Work. The scope of coverage provided is subject to approval by the City following receipt of proof of insurance as required herein. Limits are subject to review but in no event less than \$2,000,000 aggregate.

Cyber Liability Insurance on a form acceptable to the City with an appropriate per occurrence limit, subject to City approval.

Insurance procured pursuant to these requirements shall be written by insurers that are admitted carriers in the State of California and with an A.M. Bests rating of A- or better and a minimum financial size of VII.

General conditions pertaining to provision of insurance coverage by Consultant. Consultant and the City agree to the following with respect to insurance provided by Consultant:

1. Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds the City, its officials, employees, and agents, using standard ISO endorsement CG 2010 with an edition prior to 1992. Consultant also agrees to require all contractors and subcontractors to do likewise.
2. No liability insurance coverage provided to comply with this Agreement shall prohibit Consultant, or Consultant's employees, or agents, from waiving the right to subrogation prior to a loss. Consultant agrees to waive subrogation rights against the City regardless of the applicability of any insurance proceeds, and to require all contractors and subcontractors to do likewise.
3. All insurance coverage and limits provided by Contractor and available or applicable to this Agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operation limits the application of such insurance coverage.
4. None of the coverages required herein will be in compliance with these requirements if they include limiting endorsement of any kind that has not been first submitted to the City and approved in writing.
5. No liability policy shall contain any provision or definition that would serve to eliminate so-called "third party action over" claims, including any exclusion for bodily injury to an employee of the insured or of any contractor or subcontractor.
6. All coverage types and limits required are subject to approval, modification, and additional requirements by the City, as the need arises. Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect the City's protection without the City's prior written consent.

7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to Consultant's general liability policy, shall be delivered to city at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled or reduced at any time and no replacement coverage is provided, the City has the right, but not the duty, to obtain any insurance it deems necessary to protect its interests under this or any other Agreement and to pay the premium. Any premium so paid by the City shall be charged to and promptly paid by Consultant or deducted from sums due Consultant, at the City's option.
8. Certificate(s) are to reflect that the insurer will provide thirty (30) days notice to the City of any cancellation or reduction of coverage. Consultant agrees to require its insurer to modify such certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation or reduction of coverage imposes no obligation, or that any party will "endeavor" (as opposed to being required) to comply with the requirements of the certificate.
9. It is acknowledged by the parties of this Agreement that all insurance coverage required to be provided by Consultant or any subcontractor, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self-insurance available to the City.
10. Consultant agrees to ensure that subcontractors, and any other party involved with the Work who is brought onto or involved in the Work by Consultant, provide the same minimum insurance required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with subcontractors and others engaged in the Work will be submitted to the City for review.
11. Consultant agrees not to self-insure or to use any self-insured retentions or deductibles on any portion of the insurance required herein and further agrees that it will not allow any contractor, subcontractor, Architect, Engineer, or other entity or person in any way involved in the performance of Work contemplated by this Agreement to self-insure its obligations to the City. If Consultant's existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the City. At that time, the City shall review options with the Consultant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.
12. The City reserves the right at any time during the term of the Agreement to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional

cost to the Consultant, the City will negotiate additional compensation proportional to the increased benefit to the City.

13. For purposes of applying insurance coverage only, this Agreement will be deemed to have been executed immediately upon any party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
14. Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with an insurance requirement in no way imposes any additional obligations to the City nor does it waive any rights hereunder in this or any other regard.
15. Consultant will renew the required coverage annually as long as the City, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the Agreement is canceled or terminated for any reason. Termination of this obligation is not effective until the City executes a written statement to that effect.
16. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from Consultant's insurance agent to this effect is acceptable. A certificate of insurance and/or additional insured endorsement as required in these specifications applicable to the renewing or new coverage must be provided to the City within five days of the expiration of coverage.
17. The provisions of any Workers' Compensation or similar act will not limit the obligations of Consultant under this Agreement. Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to the City, its employees, officials and agents.
18. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits, or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.
19. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the parties here to be interpreted as such.
20. The requirements in this section supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts or impairs the provisions of this section.

21. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the Work reserves the right to charge the City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the City. It is not the intent of the City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against the City for payment of premiums or other amounts with respect thereto.
  
22. Consultant agrees to provide immediate notice to City of any claim or loss against Consultant arising out of the work performed under this Agreement. The City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the City.

EXHIBIT B

SCOPE OF SERVICES AND STATEMENT OF WORK (SOW)

1. Consultant will make available and manage Services as described in the SOW and fee schedule attached hereto as Schedule A. Services may be provided by Consultant or individuals or organizations employed by or under contract with Consultant. Each SOW for the services provided will become part of this Agreement by this reference when signed by Consultant and City and shall include (a) a detailed description of Consultant's and City's respective responsibilities; (b) pricing and payment terms; and (c) identification of Consultant and City contacts. A SOW may only be amended or modified by a written document signed by authorized representatives of Consultant and City. To the extent that terms contained in a SOW conflict with those contained in this Agreement, this Agreement shall be controlling.

Anything herein to the contrary notwithstanding, the parties hereby acknowledge and agree that City shall have no right to control the manner, means, or method by which Consultant performs the Services called for by this Agreement. Rather, City shall be entitled only to inform Consultant as to where and when such Services shall be performed, and to review and assess the performance of such Services by Consultant for the limited purposes of assuring that such Services have been performed and confirming that such results were reasonably satisfactory.

2. City acknowledges that, in the course of this Agreement, City may obtain information relating to products (such as goods, services, and software) of Consultant, or relating to Consultant itself, which is of a confidential and proprietary nature ("Confidential Information"). Confidential Information includes without limitation any and all trade secrets, know how, inventions, techniques, processes, programs, schematics, software source documents, data, algorithms, formulas, computer programs, design documents or information, product strategy and pricing data, design and coding, and any other information marked or identified as Confidential Information at the time of disclosure.

City shall at all times, both during the term of this Agreement and for a period of at least five (5) years after its termination use diligent efforts to keep in trust and confidence all Confidential Information of Consultant and shall not use such Confidential Information other than as necessary to carry out its duties under this Agreement, and City shall not disclose any such Confidential Information to third parties, excluding subcontractors with a need to know, without Consultant's prior written consent.

The obligations of confidentiality shall not apply to information which (a) has entered the public domain except where such entry is the result of City's breach of this Agreement; (b) prior to disclosure hereunder was already in City's possession; (c) subsequent to disclosure hereunder is obtained by City on a non-confidential basis

from a third party who has the right to disclose such information; or (d) was developed by City without use of the Confidential Information.
