

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: The Honorable City Council

FROM: Jeremy Laurentowski, Parks and Recreation Director *JK*

BY: Stephanie Anderson, Senior Management Analyst *SA*

DATE: May 27, 2015 (CC Meeting July 1, 2015)

SUBJECT: Consider Agreement with Away We Grow Preschool, LLC, for Contract Instructor Services at the Arroyo Vista Recreation Center

DISCUSSION

Alice Cantwell has been a contract instructor for the City since 1999, offering the Away We Grow preschool program. In 2011, Alice Cantwell formed Away We Grow, LLC. Classes now instructed by Away We Grow include the following: Away We Grow 4-year old preschool class, Away We Grow 3-year old preschool class, and two Toddler Time classes for children 18 months to 3-years old.

The gross revenue for the program is anticipated to be approximately \$135,000 for the 2015/2016 school year. Of this amount, the City will retain approximately \$36,450 (27%), and approximately \$98,550 (73%) will be paid to Away We Grow, LLC. It should also be noted that Away We Grow, LLC will collect approximately \$36,000 in lab fees for class materials.

As the payment amount exceeds the City Manager's signature authority, staff is requesting that the Council approve the Agreement with Away We Grow, LLC, and authorize the City Manager to execute the Agreement. The subject Agreement is the City's form of standard contract instructor agreement used for all recreation classes.

FISCAL IMPACT

Payments to contract instructors are based on a percentage of revenue received. \$172,000 for instructor payments is included in the FY 2015/2016 Recreation Division budget. Additional funding is not required to cover the cost of this Agreement.

STAFF RECOMMENDATION:

Approve the Agreement with Away We Grow, LLC, and authorize the City Manager to execute the Agreement, subject to final language approval by the City Manager.

Contractor's supplies and equipment shall not be stored in any other location. City does not accept any responsibility for damaged or missing equipment or supplies belonging to Contractor. City reserves the right to reclaim storage space upon thirty (30) days written notice to Contractor.

Class(es) which fail to meet established minimum numbers shall be cancelled. Maximum enrollment numbers may not exceed established maximum room capacities.

E. Contractor shall be at the appropriate facility a minimum of ten (10) minutes prior to the scheduled start time of each class, ready to commence instruction. In the event Contractor will be absent or tardy, Contractor must notify enrolled participants and City. A make-up class must be scheduled for each class missed.

F. Contractor shall submit such reports as may be required by City in connection with this Agreement, including but not limited to attendance sheets and participant waiver of liability forms.

G. Contractor shall be responsible for the following expenses: the cost of substitute teachers and assistants, supplies and materials, photocopies, additional advertising, insurance, and transportation. Contractor shall be solely responsible for any compensation due or payment to persons employed, or subcontracted, by him/her in connection with the Scope of Services.

H. Contractor is and shall at all times remain as to the City a wholly independent Contractor. The personnel performing the services under this Agreement on behalf of Contractor shall at all times be under Contractor's exclusive direction and control. Neither City nor any of its officers, employees, or agents shall have control over the conduct of Contractor or any of Contractor's officers, employees, or agents, except as set forth in this Agreement. Contractor shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of the City. Contractor shall not incur or have the power to incur any debt, obligation, or liability against City, or bind City in any manner.

No employee benefits shall be available to Contractor in connection with the performance of this Agreement. Except for the fees paid to Contractor as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Contractor for performing services hereunder for City. City shall not be liable for compensation or

indemnification to Contractor for injury or sickness arising out of performing services hereunder.

I. Contractor shall indemnify, defend (with counsel reasonably acceptable to City) and hold harmless City, and any and all of its employees, officials and agents (“the Indemnitees”) from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including attorneys fees and costs, court costs, interest, defense costs, and expert witness fees), where the same arises out of, are a consequence of, or are in any way attributable to, in whole or in part, the negligence, willful misconduct, errors or omissions, or performance of this Agreement by Contractor or by any individual, or entity for which Contractor is legally liable, including but not limited to officers, agents, employees or subcontractors of Contractor, except such damage as is caused by negligence of the City or any of its officers, employees, servants, project coordinators, or agents.

Contractor agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this Section from each and every subcontractor, or any other person or entity involved by, for, with, or on behalf of Contractor in the performance of this Agreement. In the event Contractor fails to obtain such indemnity obligations from others as required here, Contractor agrees to be fully responsible according to the terms of this Section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns, or heirs of Contractor and shall survive the termination of this Agreement or this Section.

City does not and shall not waive any rights that it may have against Contractor by reason of this Section, because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless and indemnification provisions shall apply regardless of whether or not said insurance policies are determined to be applicable to any losses, liabilities, damages, costs, and expenses described in this Section.

J. Contractor shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Attachment “B” attached hereto and made a part of the Agreement.

K. Contractor may represent, perform services for, and be employed by such companies and governmental entities as Contractor, in Contractor’s sole discretion, sees fit, with the exception of any firm or individual which may present a potential conflict of interest with City. Contractor is responsible to advise City of any potential conflicts which may arise in connection with contractual relationship with City.

L. It is acknowledged by the parties that the Contractor is uniquely qualified to perform the services under this Agreement. Contractor agrees to furnish the necessary labor required to perform the services required under this Agreement. Neither this

Agreement nor any duties or obligations under this Agreement may be assigned by Contractor without the prior written consent of City.

M. This Agreement constitutes the entire Agreement of the parties concerning the subject matter hereof and all prior Agreements or understandings, oral or written, are hereby merged herein. This Agreement shall not be amended in any way except by a writing expressly purporting to be such an amendment, signed, and acknowledged by both of the parties hereto.

N. Should interpretation of this Agreement, or any portion thereof, be necessary, it is deemed that this Agreement was prepared by the parties jointly and equally, and shall not be interpreted against either party on the ground that the party prepared the Agreement or caused it to be prepared.

O. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any such waiver constitute a continuing or subsequent waiver of the same provision. No waiver shall be binding, unless executed in writing by the party making the waiver.

P. In the event any action, suit, or proceeding is brought for the enforcement of, or the declaration of any right or obligation pursuant to this Agreement, or as a result of any alleged breach of any provision of this Agreement, the prevailing party shall be entitled to recover its costs and expenses from the losing party, and any judgment or decree rendered in such a proceeding shall include an award thereof.

Q. Any and all grievances, concerns, or complaints regarding facilities, staff, equipment, scheduling, or any other aspect of any contractual class shall be submitted in writing to the department director within five (5) days of occurrence.

R. No Contractor providing services, programs, or activities to the public on behalf of the City shall discriminate against any person because of sex, race, color, creed, national origin, or disability. Contractor shall comply with the Americans with Disabilities Act and City policies pursuant thereto when providing said services, programs, or activities.

S. Contractor and Contractor's employees, subcontractors, and volunteers, must satisfactorily pass a fingerprinting process and background verification prior to conducting any class(es) in which minors participate. Unless otherwise directed in writing by City, Contractor agrees to have itself and any of its employees, subcontractors, and volunteers providing instructor services to the City, pursuant to this Agreement, submit to a fingerprinting process prior to execution of the Agreement and publishing of classes in the recreation guide. The fingerprinting process shall be as subscribed by the City and the cost shall be paid by the Contractor for itself and any of its employees, subcontractors, and volunteers. In the event City is charged for fingerprinting services for Contractor, or Contractor's employees, subcontractors, and volunteers, City shall notify Contractor of said charges, and Contractor agrees to fully reimburse City for said charges within thirty (30) days. A Contractor that fingerprints its own employees, subcontractors, and volunteers shall provide written documentation

that it is registered with the Department of Justice hereinafter referred to as "DOJ" in compliance with Section 11105.3 of the California Education Code and, accordingly, submits to the DOJ fingerprints of all employees, volunteers, contractors, or subcontractors prior to any work assignments. Contractor shall not use an employee, subcontractor, or volunteer who fails to receive a satisfactory fingerprint report (e.g., a fingerprint report showing conviction of certain criminal offenses that would make it illegal for such individuals to have direct supervisory or disciplinary authority over minors) in the service of this Agreement.

T. Contractor shall keep informed of, and shall comply with, all federal, state, and local laws and regulations which in any manner affect her/his performance under this Agreement, including but not limited to the American with Disabilities Act and Occupational Health and Safety Administration laws and regulations. Contractor shall conduct said services in a professional and dignified manner and shall not violate, nor permit any person participating therein to violate, any rule, regulation or ordinance of City, the State or the Federal Government.

U. Although Contractor acknowledges that they are not an employee of the City, Contractor agrees to comply with the provisions of Public Resources Code Section 5163, and hereby certifies that at the time of approval of their initial Agreement with the City, they have been found to be free of communicable tuberculosis (TB) based on a negative TB skin test by a qualified medical professional within the two-year time period preceding execution of the agreement. Contractor also certifies that they will comply with the requirements of Section 5163 to undergo a TB examination at least once each four years following execution of the initial contract instructor agreement with the City, so long as the contractor remains skin test negative and free of communicable tuberculosis. Contractor shall immediately notify the City in writing upon receipt of a positive skin test for TB and a finding of communicable tuberculosis, and the agreement will be suspended or terminated by City without further notice pursuant to the provisions in the Agreement.

V. This Agreement is made, entered into, executed and is to be performed in Moorpark, Ventura County, California, and any action filed in any court or for arbitration for the interpretation, enforcement or other action of the terms, conditions or covenants referred to herein shall be filed in the applicable court in Ventura County, California.

Insurance Requirements**

As a condition precedent of the effectiveness of this Agreement, Contractor shall procure, and thereafter maintain in full force and effect at Contractor's sole cost and expense, the following types and amounts of insurance:

1. A general liability insurance policy written with a company acceptable to City and authorized to do business in the State of California. Such policy shall provide for a minimum coverage of One Million Dollars (\$1,000,000.00) for bodily injury or death of any person or persons in any one occurrence, and One Million Dollars (\$1,000,000.00) for loss by damage or injury to property in any one occurrence and shall include automobile coverage. The policy shall contain a provision providing for a broad form of contractual liability, including Product Liability coverage if food and beverages are dispensed on Premises. The policy or policies shall be written on an occurrence basis. The policy shall name Contractor as the insured and the City of Moorpark, its officials, employees, and agents as an additional insured. The policy shall also provide that the City shall be notified in writing, at least thirty (30) days prior to any termination, amendment cancellation or expiration thereof. Contractor shall furnish City evidence of all insurance policies required by this Agreement in the form of a Certificate of Insurance and additional insured endorsement. It is acknowledged by the parties of this Agreement that all insurance coverage required to be provided by Contractor or any subcontractor, is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self-insurance available to the City.

Contractor may elect to purchase insurance through the City's provider at the current rate. Contractor shall pay to City insurance fees due on or before the first class date. If said insurance fees are not paid prior to the first class date, insurance fees shall be deducted from Contractor's compensation.

I shall maintain insurance coverage as described above.

2. Business Auto Coverage on ISO Business Auto Coverage form CA 00 01 including symbol 1 (Any Auto) or the exact equivalent. Limits are subject to review, but in no event to be less than State statutory limits per accident. If Contractor owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If Contractor or Contractor's employees, subcontractors, or volunteers will use personal autos in any way in performing the services under this Agreement, Contractor shall provide evidence of personal auto liability for each such person.

3. Workers' Compensation on a state-approved policy form providing statutory benefits as required by law with employer's liability limits no less than one million dollars (\$1,000,000) per accident or disease. A Workers' Compensation Insurance Certificate shall be filed with City before beginning work, unless Contractor submits a written certification that no one other than Contractor, or subcontractors, are performing any services under this Agreement.
