**DISCUSSION**

At the September 20, 2006 City Council meeting, the Council authorized the City to apply for Older Americans Act (OAA) Title III-B grant funds from VCAAA in response to their request for proposal for programs which provide health services to older adults residing in Ventura County. VCAAA awarded a \$40,000 grant to the City of Moorpark for the "Strike Out Stroke" Program which provides free, non-invasive peripheral and carotid artery screenings free of charge to county residents age 60 years and older, with a special emphasis on serving seniors with the greatest economic and/or social need.

The City of Moorpark, acting as the grantee and lead agency, established Cooperative Agreements with the cities of Oxnard, Santa Paula and Ventura to provide screenings in

those cities, as well as at the Moorpark Active Adult Center. The original grant was targeted to provide 800 carotid and 800 peripheral artery tests. On March 9, 2007, the City received formal notification of the allocation of an additional \$5,000 in grant funds from VCAAA for the program.
