

**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**To:** The Honorable City Council  
**From:** Yugal K. Lall, City Engineer/Public Works Director   
**Date:** March 28, 2007 (Council Meeting of 04-18-07)

**SUBJECT:** Consider a Resolution Declaring the Private Parking Facilities Located at the Southwest Corner of Campus Park Drive and Collins Drive (CPD-2000-04), Subject to the Provisions of the California Vehicle Code

**DISCUSSION**

A. Code Section

Section 21107.8 (herein "Code Section") of the California Vehicle Code (CVC) provides for the enforcement of the certain portions of the CVC (see Section E of this report) on privately owned and maintained parking facilities generally held open for public use, when and if certain conditions and requirements are met.

B. Commercial Planned Development (CPD) Permit No. 2000-04

The Campus Plaza shopping center (CPD 2000-04) is located at the southwest corner of Campus Park Drive and Collins Drive. Certain conditions of approval for CPD 2000-04 require the developer of this project to request that the City enforce the CVC within and upon this parking lot.

C. Petition

In accordance with the requirements of the Conditions of Approval of CPD 2000-04, the City is in receipt of a letter, (Attachment 1) requesting the aforementioned Vehicle Code Enforcement.

D. CVC Section 21107.8

The letter from the property owner requests enforcement pursuant to CVC section 21107.7. That citation is incorrect. Section 21107.7 pertains to the enforcement of the CVC on private roads within "gated" communities. The CVC Section which applies in this case is Section 21107.8: Private Parking Facilities.

E. CVC Section 21107.8 Applicability

CVC Section 21107.8 provides for the enforcement of only certain specified Sections of the CVC. Upon adoption of a Resolution pursuant to CVC Section 21107.8 to only portions of the CVC which can be enforced within a parking lot are: Section 22350 (Basic Speed Law), Section 23103 (Reckless Driving), Section 23109 (Speed Contests) and Division 16.5 [Section 38000 et. Seq.] (Off-Road Vehicles).

F. Public Hearing / Hearing Notice

Pursuant to the requirements of the Code Section, this matter is being considered at a public hearing. A Notice of this hearing has been provided to the property owner, in accordance with the requirements of the Code Section.

G. Resolution

The attached Resolution (Attachment 2) states that the privately owned and maintained parking facilities at the subject location, shall be subject to the requirements of the above cited Sections of the CVC.

H. Signs

The Code Section requires signs to be posted at the entrance to the parking lot, in order for the subject enforcement to occur. The attached Resolution directs the property owner to place and maintain the required signs. The Resolution also describes the type of sign required.

**STAFF RECOMMENDATIONS**

1. Open the public hearing, receive testimony and close the public hearing.
2. Adopt Resolution No 2007- \_\_\_\_ .
