

**MOORPARK CITY COUNCIL  
AGENDA REPORT**

**TO:** The Honorable City Council

**FROM:** Mary K. Lindley, Director of Parks, Recreation & Community Services

**DATE:** April 24, 2007 (Meeting of May 2, 2007)

**SUBJECT:** Authorize City Manager to Grant Cellular Phone Allowance for Facility Technician Position

**DISCUSSION**

Staff is requesting that the City Council authorize the City Manager to grant a cellular phone allowance for the position of Facility Technician that is similar to the allowance currently granted to certain management employees (\$125.00 every other year for cell phone purchase and \$45.00 monthly for service plan charges). The Facility Technician spends a great deal of time in the field and the job necessitates long discussions with vendors and other City personnel, which makes it difficult for other field employees to use the City's hand-held radio communication system.

Staff will return to Council in the near future with a proposal to authorize the City Manager to approve a cellular phone allowance for certain City employees. Due to the nature of the Facility Technician's duties, staff is requesting that the cellular phone for this position be addressed at this time.

**RECOMMENDATION**

Authorize the City Manager to grant a cellular phone allowance for the Facility Technician Position consistent with this report.
