BACKGROUND/DISCUSSION

On April 9, 2009, the City entered into an Agreement with RJR Engineering Group (RJR) for engineering services. The scope of work included Development Engineering, Plan Checks and Land Development Review. On November 4, 2009, the City executed Amendment No. 1 to the Agreement to add Public Works Encroachment Permits and Land Development Inspection to RJR's scope of work. On November 8, 2013, the City executed Amendment No. 2 to the Agreement which provided for a 1.1 percent increase in RJR's hourly rate; to be applied only to the classification of Construction Inspector, as well as a new hourly rate schedule.

RJR has reorganized, from RJR Engineering Group to RJR Engineering Group, LLC. To document this reorganization, the attached amendment to the agreement has been prepared. The amendment does not modify any other provision of the agreement.

FISCAL IMPACT

None.
